For each of the above referenced businesses/licenses, please provide the following documents:

Enclosed please find forty (40) pages of records which the City has identified as responsive to your request. Please be advised that redactions have been made to remove dates of birth, social security numbers and private telephone numbers pursuant to N.J.S.A. 47:1A-1, which provides that "a public agency has a responsibility and an obligation to safeguard from public access a citizen's personal information with which it has been entrusted when disclosure thereof would violate the citizen's reasonable expectation of privacy.

See also N.J.S.A. 47:1A-1.1 which exempts that portion of any document containing an unlisted telephone number or social security number from the definition of a government record.

Your OPRA request is now deemed answered and closed.

Sincerely,

A handwritten signature in cursive script, appearing to read "Rosemary Licatese".
