Narrative

Lakewood Township Police Department

Investigation Narrative

On Saturday, August 29, 2020, I, Patrolman Mark Gibson #409, was assigned to uniformed patrol, operating marked vehicle #3319. At 1852 hours, I was dispatched to the intersection of Princeton Ave. and Downing St. Lakewood, New Jersey for a report of a possible intoxicated driver and motor vehicle accident. Witnesses stated that the suspect later identified as Jeffrey Stern struck a parked a vehicle, at 200 Downing St. Lakewood, New Jersey 08701, and parked his vehicle nearby at the intersection. Upon my arrival, I positioned my patrol vehicle, 3319, behind the black Nissan, bearing New York Registration HAE7862. I then exited my patrol vehicle, 3319, activated my overhead emergency headlights, and approached the drivers side door of the Nissan Vehicle.

I introduced myself as Officer Gibson of the Lakewood Police Department, and spoke with the driver, later identified as Jeffrey Stern. Jeffrey was outside of his vehicle when I arrived. I immediately observed that Jeffrey was unsteady on his feet, swaying back and fourth, and slurring his speech. I then proceeded to ask Jeffrey if he had consumed any alcoholic beverages or narcotics prior to operating the vehicle, to which he stated that he did not consume alcohol but was in fact on some type of medication. I instructed Jeffrey to walk to the rear of his vehicle, and stand near the front of my patrol vehicle, 3319. I advised Jeffrey that I would be conducting Field Sobriety Tests due to my suspicion of him being under the influence.

Jeffrey appeared to be walking unsteadily on his feet as he walked from his vehicle, to my patrol vehicle, 3319. His eyes were extremely glossy, and he had a slurred speech. Based on my training and experience, these signs are indicative of being under the influence of either narcotics or alcohol. The testing area was on a level surface and free of any debris.

Furthermore, I advised Jeffrey that the first test I would be conducting is the Walk and Turn Examination. I asked Jeffrey if he had any medical conditions or injuries that would effect his balance, to which he stated he was bow legged. I then instructed Jeffrey to stand in the starting position with his right foot in front of his left foot, touching heel to toe, keeping his arms to his side, while standing straight up. I told Jeffrey to hold this position until further notice. Jeffrey had trouble holding this position, and attempted to start the test before I finished my directions. I began to explain and demonstrated the test. I advised Jeffrey to walk nine heel to toe steps, in a straight line, count each step out loud, look down at the tip of his toe on each step, keeping his arms to his side, and return nine heel to toe steps back to the starting point. I asked Jeffrey if he understood the directions, to which he stated that he did understand the directions. During the Walk and Turn Examination, Jeffrey did not touch heel to toe on every step, used his hands to balance himself to balance himself, did not count out loud on each step, did not complete nine heel to toe steps. Jeffrey lost his balance and nearly fell on every step during the Walk and Turn Examination. Jeffrey failed to complete the test as instructed.

I then advised Jeffrey that the second test would be the One Leg Stand Examination. I demonstrated and instructed Jeffrey to stand in the starting position. I advised Jeffrey to put both his feet together, keeping his arms at his side, while standing straight up, and to hold that position while explained

the instructions. Jeffrey then began the examination. During the test Jeffrey began to sway back and forth while balancing, raising his arms up for balance, constantly putting his foot down on the ground, not counting to 30, and all around unable to perform the examination.

Based on all my observations listed above and Jeffrey's admission to consuming unknown amounts of prescription pills prior to operating this vehicle, I informed Jeffrey that he was under arrest for Driving Under the Influence 39:4-50. I placed Jeffrey in handcuffs, utilizing the double locking mechanism. A search incident to arrest on Jeffrey yielded negative results. Patrolman Shimonovich #392 and Patrolman Hans #393 placed Jeffrey into the rear of their patrol vehicle and transported Jeffrey to Lakewood Police Headquarters where he was administratively processed. Jeffrey also admitted to striking a parked vehicle at 200 Downing St. Lakewood, New Jersey. I then proceeded to advise Lakewood Police Dispatch that I needed a tow truck (Unit 20) for Johns Law. While looking inside the vehicle I noticed a used hypodermic syringe in plain view inside the center console of the vehicle. I also noticed an empty bottle cap with a white powdery substance inside. A search of the vehicle, yielded positive results with the discovery of several prescription pill bottles and drug paraphernalia. The pills came back prescribed to Jeffrey Stern. Total Car Care towed the vehicle for impound and a motor vehicle accident report was completed and attached to this narrative.

At Lakewood Police Headquarters, Jeffrey was read his Miranda Rights and understood his rights. Jeffrey consented to giving blood and was then transported to Monmouth Medical Center to get blood drawn. Jeffrey was charged with Driving Under the Influence 39:4-50, Reckless Driving 39:4-86, Careless Driving 39:4-97, and possession of Drug Paraphernalia. Jeffrey was released on the above summonses. Jeffrey had a family member, later identified as Asif Madatov, who signed off on the Potential Liability Form and he was given a copy of the form.

Charges

1. Driving Under the Influence 39:4-50 Summons 1514 A 285481
2. Reckless Driving 39:4-96 Summons 1514 A 285483
3. Careless Driving 39:4-97 Summons 1514 A 285482
4. Possession of Drug Paraphernalia 2C:36-2 Summons 1514 S 2020 000720

End of Report.
