July 25, 2019

Dear Ms. Delany,

This is in response to your 7-22-19 OPRA request for:

A log of sent and received emails for Mayor Maley from March 1, 2019 to present date which includes the sender name, recipient name(s), date, and subject line.

A log of sent and received emails for Joan Leonard from March 1, 2019 to present date which includes the sender name, recipient name(s), date, and subject line.

A log of sent and received emails for Robert Lewandowski from March 1, 2019 to present date which includes the sender name, recipient name(s), date, and subject line

In response to your request, please see the attached logs for each of the Borough Commissioners for e-mails received under their Borough e-mail addresses for the period identified.

Also attached is a log for Commissioner Lewandowski of e-mails sent on March 26, 2019. Our search for additional e-mails sent by the Commissioners from their Borough e-mail addresses provided no additional information.

As you are aware from prior record requests, the Commissioners responses are sent in almost every instance from their individual e-mail addresses. In order for them to provide individual logs of emails they have sent during the identified time period, please provide specific references by subject so they can be separated from other e-mails not involving the Borough of Collingswood.

Please let me know if you have any questions.

Sincerely,

K. Holly Mannel
Borough Clerk
