Body Worn Camera Used NARRATIVE On 5/9/24 at approximately 1429 hrs Logan Township Police were dispatched to 1586 Center Square Rd (Tractor Supply) for a report of a shoplifting that had occurred earlier. I was at School Lane and Center Square Rd in the school zone so I responded immediately, but was later informed that the employees were delayed with relaying the incident to County Communications. Upon my arrival I spoke with the store manager, Ms. Sophia Leonard. Ms. Leonard stated that a Hispanic male entered the store wearing jeans, a white Yale sweatshirt, and a black backpack and lingered in the back of the store for a lengthy period of time. The suspected male is believed to have loaded his backpack with numerous items and then exit the store and get into a red Honda Pilot driven by another Hispanic male. The vehicle then turns right onto Center Square Road and exit from employees" view. One of the employees believes that the first characters on the New Jersey registration is Y27***. Officers checked the N.J. ALPR systems and no suspect vehicles matching the description had came back at that time. Additionally manager, Sophia Leonard had not been able to discern what had been stolen at that time and would follow up at a later date. After several attempts on 5/23/24, I was able to make contact with Ms. Leonard regarding the shoplifting incident. Ms. Leonard apologized for the confusion with the reporting, but stated this incident is when the items were stolen from the Tractor Supply. The items stolen varied in description and in all totaled \$620.32. I attached the receipt for the stolen items and the still photographs of the suspects associated with the incident were also attached to this report. This incident may be related to another incident that Officer Bennett (#2528) dealt with, see incident #2024007013 for further details. There is nothing further at this time by Logan Township Police patrols.

NARRATIVE						
On the above date and time, patrols were dispatched to the above location for a shoplifting complaint. Upon patrols arrival, I spoke with the caller Ms. Jenna Fulford the cashier for Tractor Supply. She informed me that two Hispanic males came in the store, and one was wearing a black bookbag that was empty. When asked if they needed any help, they advised staff that they do not speak English. Ms. Fulford advised patrols that the 2 were in the store for about 15 minutes. When they left, Ms. Fulford noticed that the bookbag was full. Ms. Fulford only focused on the guy with the bookbag since he was the last to leave the store. Ms. Fulford did not see what was taken and will provide this agency with a copy of the video and an itemized receipt. The male who stole was wearing cargo shorts, white hoodie, grey baseball hat, grey sneakers and the black bookbag. He walked out of the store and got into a blue Honda with black rims and made a right out of the parking lot. The items stolen totaled \$620.32, and an itemized receipt is attached to this report. This will be forwarded to the Detective Unit for farther investigation.

NARRATIVE On 5/28/2024, I spoke with Jenna Fulferd and other staff, inquiring more about the incident. They confirmed the two males walked into the store at 2036 hours on 5/9/24 and exited the store at 2048 hours. They were seen exiting the parking lot in the wrong lane of travel and making a right onto Center Square Rd. Taking a closer look at the vehicle from the pictures provided by Ms. Fulfred, its apparent the vehicle is a Hyundai Elantra, roughly a 2016 model, which had a temporary registration. I checked all local ALPR camera's in the area during that time frame yielding negative results. I confirmed Tractor Supply does not have camera's in the parking lot where the vehicle was located, the photo provided was from Ms. Fulfred walking out and snapping a picture from her personal device. No further action pending more information arises.

Body Worn Camera Used NARRATIVE On 05/14/2024 at approximately 17:51 hours County Communications dispatched patrols to Acme (1619 Center Square Rd) for a shoplifting that had occurred the previous evening. I arrived on location and made contact with the caller (AJ Abate) who turned over an itemized list of stolen merchandise and a CD with video of the incident. He explained that while walking through the store employees noticed certain shelves that had been recently stocked were now completely empty. He watched security video from these isles and observed two African American females who filled multiple tote bags with the items and left the store without paying. This occurred the previous evening (05/13/2024) at approximately 18:10 hours. Mr. Abate totaled all the items he was able to identify as missing and the value came to \$2,219.05. He notified patrols that the two suspects were dropped off by a grey sedan and this same vehicle picked them up at the door when they exited the store. He was unable to obtain a registration from the security footage, however he did observe a yellow mustang enter the Acme parking lot directly behind the suspect vehicle. He notified patrols that this yellow mustang belonged to one of his employees and this employee had a dashboard camera mounted in his vehicle. He advised that he would reach out to this employee and attempt to obtain footage of the license plate. On 05/18/2024 Mr. Abate turned over a SIM card for the employee's dashboard camera. He was unable to watch any video on the card himself but wanted to provide it to patrols regardless. I was unable to watch any video on the SIM card, but I was able to review the security footage provided by Acme. Both female suspects were seen loading items from various shelves into tote bags and leaving the store. The first female suspect had dark brown skin and was approximately 6 foot tall, wearing a white shirt and black leggings with white and grey sneakers. She had black hair in a bun with a pink ribbon. The second female suspect had light brown skin and was approximately 5 foot 5 inches, wearing a pink shirt with a black zip up sweatshirt and grey leggings with pink sneakers. She had long black braids and was wearing gold hoop earrings. The suspect vehicle was a grey sedan that appeared to have a tinted windshield. Case turned over to the Detective Bureau for further investigation.

NARRATIVE On 5/20/2024, the Detective Bureau attempted to retrieve the video from the micro SD card provided by Mitchell Direnzo, the Acme employee who owns the yellow Ford Mustang. The card possessed no information on it to further the investigation. On 5/22/2024, at 1450 hours, I returned the Micro SD card back to its owner. I also spoke with Mr. Abate, LP for Acme, who advised the same two suspects hit the Acme in Somers Point NJ for \$1744 on 5/13/24. On 5/23/24, I contacted the Somers Point Police Department, specifically Captain Dill of the Detective Bureau. I advised him of our incident and inquired about theirs. He advised patrols were called late to scene and reported that two African American women came into the store, loaded up empty groceries bags and left. He advised there were no leads on the case, such as vehicle, registration, or names of suspects. I check the ALPR databases in the area of Somers Point during the time period of their incident, along with the time period of the incident in Logan Twp. All searches yielded negative results. No further action unless more information becomes available.
