Mr. Radwan

Dear Mr. Radwan,

The Carteret Police Department received your OPRA Records Act (OPRA) request on February 3, 2020 and another one on February 12, 2020 which is similar to your first request. The official Records Custodian, Captain Michael Dammann received your OPRA request on February 3, 2020. As such, the seven (7) business day deadline to respond to your request is February 12, 2020. This response is being provided on the **Seventh (7th)** business day since the Carteret Police Departments records custodian received said request.

A request pursuant to the Open Public Records Act, N.J.S.A. 47:1A-1 et seq. ("OPRA") must identify the records sought with specificity. Bent v. Stafford Police department, 381 N.J. Super. 30 (App. Div. 2005): The Court affirmed the GRC's decision (GRC Complaint No. 2004-78) that the complainant's request was broad and unclear ("any and all"). The Council ruled that the information sought did not amount to an identifiable government record.

The following specific records have been requested:

"I would like the computer Aided Dispatch (CAD) logs for 11/3/2018, 11/4/2018 and 11/5/2018."

Records' responses to this request have been located and supplied.

If your request for access to a government record has been denied or unfilled within seven (7) business days by law, you have the right to challenge the decision by the Carteret Police Department to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint form. In addition to the website, information can be obtained from GRC Staff by email Government.Records@dca.nj.gov, toll-free phone number

(866-855-0511), fax (609-633-6337), or by US mail at PO Box 819, Trenton, New Jersey, 08625-0819. OPRA prepared by Jasbir S Judge on behalf of Captain Michael Dammann.

Respectfully,

Captain Michael Dammann
