WHEREAS, the Borough and the Entity have agreed that any additional annual service charges paid by the Entity to the Borough, which are not needed for debt service on the Bonds shall be for the Borough's use in its sole discretion; and

WHEREAS, the Borough, on July 12, 2007 adopted Ordinance 07-09 approving the Exemption Application, including the Annual Service Charge (as defined herein), and authorized the execution of this Agreement (the "Ordinance"); and

ARTICLE 2 APPROVAL

Section 2.01 Approval of Tax Exemption - Pursuant to the Ordinance, all Improvements owned by the Entity shall be exempt from taxation as provided in the Long Term Tax Exemption Law. The Project shall be as described in the Exemption Application. The Entity represents and covenants that, effective as of the completion of the Project, the Project shall be used, managed and operated for the purposes set forth in the Exemption Application, and the land use applications filed with, and as approved by, the Borough in connection with this Project.

Section 2.02 Approval of Project to be Undertaken by the Entity – Approval hereunder is granted to the Entity for the contemplated Project, which shall in all respects materially comply and conform to all applicable statutes of the State, and the lawful regulations made pursuant thereto, governing land, building(s) and the use thereof, and which Project is more particularly described in the Exemption Application. ARTICLE 3 DURATION OF AGREEMENT

Section 3.01 Term - It is understood and agreed by the Parties that this Agreement, including the obligation to pay the Annual Service Charge required under Article 4 hereof and the tax exemption granted and referred to in Section 2.01 hereof, shall remain in full force and effect until the earlier of (i) thirty-five (35) years from the date of execution hereof, or (ii) thirty (30) years from the Project Completion Date. In the event that such date is later than the date on which no Bonds remain "outstanding" within the meaning of the Trust Indenture, the Annual Service Charge shall no longer be pledged to the Trustee but shall be paid directly to and

retained by the Borough. This Agreement shall constitute evidence of a lien securing such obligation, which lien shall survive any termination hereof. At the expiration of the term hereof the tax exemption for the Project shall expire and the Improvements shall thereafter be assessed and taxed according to the general law applicable to other non-exempt property in the Borough. After expiration of the term hereof, all restrictions and limitations upon the Entity shall terminate upon the Entity's rendering and the Borough's acceptance of its final accounting, pursuant to N.J.S.A. 40A:20-13, if applicable.

Section 3.02 No Voluntary Termination - Neither the Entity nor the Borough may terminate this Agreement during the period when any Bond remains "outstanding" within the meaning of the Trust Indenture. At such time as the Bonds are no longer "outstanding", the Entity shall have such termination rights as are provided under the Long Term Tax Exemption Law.

Section 3.03 Date of Termination - Upon any Termination of the tax exemption described in Section 3.01 hereof, the date of such Termination shall be deemed to be the end of the fiscal year of the Urban Renewal Entity.

ARTICLE 4 ANNUAL SERVICE CHARGE

Section 4.01 Annual Service Charge - The total Annual Service Charge that the Entity shall pay to the Borough shall be as follows: (a) for years one through seven of the term of this Agreement, two percent (2%) of the Total Project Cost; (b) for years eight through thirty of the term of this Agreement, the amount equal to the then assessed value of the Improvements multiplied by the then current tax rate effective in the Borough (collectively, the "Annual Service Charge"). The Annual Service Charge shall be paid to the Borough (but which payment shall be directed to the Trustee in accordance with Section 5.02 hereof).

Section 4.02 Minimum Annual Service Charge - In the event that the Project is unable to generate sufficient Annual Service Charges to meet the Debt Service, the Entity hereby expressly agrees and covenants to make payments to the Borough of a Minimum Annual Service Charge. The Minimum Annual Service Charge shall be the difference between the Annual Service Charges then being collected from the Project and the amount needed to make the requisite Debt Service Payments. Such payments made by the Entity shall be credited against the total amount due hereunder as Annual Service Charge in successive years (but which shall not relieve the Entity from paying successive installments as and when they come due). The obligation to make such payments and the right to any such credits arising therefrom shall be the Entity's obligation and right, and the Unit Purchasers shall have no obligations or rights with respect to such pre-payments or credits. Any credit given pursuant to the immediately preceding sentence shall only be applied when adequate funds are available under this Agreement and/or any other financial agreement (which utilizes annual service charges for Debt Service) to satisfy Debt Service for the Bonds. The Parties hereto acknowledge that Camelot at Carteret, LLC ("Camelot"), an Urban Renewal Entity formed and wholly owned by the Redeveloper, will construct retail and rental improvements under the Redevelopment Agreement and a financial agreement between

the Borough and Camelot (the "Camelot Financial Agreement"). In the event that the Entity makes such Minimum Annual Service charge payments under this Section, such payments shall be credited against the total amount due under the Camelot Financial Agreement to the same extent that such payments are credited hereunder. In the event that Camelot makes such payments under the Camelot Financial Agreement, such payments shall be credited against the total amount due hereunder to the same extent that such payments are credited under the Camelot Financial Agreement.

Section 4.03 Quarterly Installments – The Entity expressly agrees that installments of the aforesaid Annual Service Charge shall be paid quarterly in a manner consistent with the Borough's tax collection schedule. The first installment of the Annual Service Charge shall be paid on the date of substantial completion of the Improvements, or any portion thereof if the Improvements are completed in phases. In the event that no Units have been substantially completed, or if any Unit has been substantially completed but not yet sold by the Entity by the time the requirement to pay Debt Service commences, or as otherwise provided in the Redevelopment Agreement, the Entity shall pre-pay installments of the Annual Service Charge to the extent required to cover Debt Service ("Pre-Paid Annual Service Charges"). Pre-Paid Annual Service Charges will be paid in accordance with Article V hereof and will be due no less than thirty (30) days before any principal and/or interest payments, as applicable, are due. Such pre-payment shall be credited against the total amount due hereunder as Annual Service Charge (but which shall not relieve the Entity from paying successive installments as and when they come due). The obligation to make such pre-payments and the right to any such credits arising therefrom shall be the Entity's obligation and right, and the Unit Purchasers shall have no obligations or rights with respect to such pre-payments or credits. Any credit given pursuant to the immediately preceding sentence shall only be applied when adequate funds are available under this Agreement and/or any other financial agreement (which utilizes annual service charges for Debt Service) to satisfy Debt Service for the Bonds. The Parties hereto acknowledge that Camelot at Carteret, LLC ("Camelot"), an Urban Renewal Entity formed and wholly owned by the Redeveloper, will construct retail and rental improvements under the Redevelopment Agreement and a financial agreement between the Borough and Camelot (the "Camelot Financial Agreement"). In the event that the Entity pre-pays quarterly installments under this Section, such pre-payments shall be credited against the total amount due under the Camelot Financial Agreement to the same extent that such pre-payments are credited hereunder. In the event that Camelot makes such pre-payments under the Camelot Financial Agreement, such pre-payments shall be credited against the total amount due hereunder to the same extent that such pre-payments are credited under the Camelot Financial Agreement. In the event that the Entity fails to timely pay any installment, the amount past due shall bear the highest rate of interest permitted under New Jersey law in the case of unpaid taxes or tax liens on the land until paid.

Section 4.04 Land Taxes – It is the intent of the parties that the land portion of the Property shall be exempt from taxation pursuant to the terms of this Agreement and as permitted by N.J.S.A. 40A:20-12.

Section 4.05 Material Conditions - It is expressly agreed and understood that all payments of Annual Service Charges, Special Assessments and any interest payments, penalties or costs of collection due thereon, are material conditions of this Agreement ("Material

Conditions"). If any other term, covenant or condition of this Agreement or the Exemption Application, as to any person or circumstance shall, to any extent, be determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement or the application of such term, covenant or condition to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each remaining term, covenant or condition of this Agreement shall be valid and enforced to the fullest extent permitted by law.

Section 4.06 Payments – Neither the Entity nor the Borough may alter the amounts or dates as established by Section 4.01, 4.02 or 4.03 hereof.

Section 4.07 Annual Service Charges as Municipal Lien – As provided in the RAB Law, specifically N.J.S.A. 40A:12A-68, and such other statutes as may be sources of relevant authority, if any, the Annual Service Charge shall be a continuous, municipal lien (as such term is defined and used in the Tax Sale Law) on the Property and the Improvements.

ARTICLE 5

PLEDGE OF ANNUAL SERVICE CHARGE TO BONDS

Section 5.01. Entity's Consent - The Entity hereby consents and agrees to the amount of the Annual Service Charge and/or Special Assessments and to the liens established in this Agreement, and the Entity shall not contest the validity or amount of any such Annual Service Charge or lien. The Entity's remedies shall be limited to those specifically set forth herein and as otherwise as provided by law.

Section 5.02. Security for the Bonds - As security for the full and timely payment of Debt Service on the Bonds, and subject to the priority of amounts on deposit in the County Share Account (as defined below) for the payment from time to time of the County Share, the Borough and the Entity agree to and hereby assign all of their interest in each payment of the Annual Service Charge and any Special Assessments, including interest, penalties and costs of collection, to the extent necessary and for the purpose of meeting their obligations to the Trustee. Each installment payment of the Annual Service Charge, as set forth in Section 4.02 hereof, is to be made to the Trustee and clearly identified as the "Annual Service Charge Payment for the Lower Roosevelt Redevelopment Area For-Sale Project".

If any installment of the Annual Service Charge is not paid to the Trustee in accordance with this Agreement, the Entity hereby waives any objection or right to challenge the use by the Borough (or the Trustee as assignee and agent of the Borough) of the enforcement of remedies to collect such installment of the Annual Service Charge as are afforded the Borough by law, including the Tax Sale Law, provided, however, that in no event shall there be any acceleration of any amounts due and owing to repay the Bonds, and such remedies shall be limited solely to the collection of delinquent and unpaid amounts past due for payment, including interest, penalties and costs of collection provided for by the Tax Sale Law.

Other than as set forth in this section, the Borough hereby pledges and assigns the installments of the Annual Service Charge and any Special Assessment to the Trustee, to secure payment of the Bonds. This pledge constitutes an absolute unconditional assignment of the Annual Service Charge or Special Assessments. There shall not be any pledge of the Annual Service Charge or Special Assessments to the extent same are required for Debt Service by the Borough to any person other than the Trustee.

Pursuant to the RAB Law and such other statutes as may be of relevant authority, if any, the Annual Service Charge and/or the Special Assessments to the extent same are required for Debt Service shall not be included within the general funds of the Borough. The Borough's pledge of the Annual Service Charge and/or the Special Assessments to the Trustee for the Bonds shall be a limited obligation of the Borough payable to the extent of payments received from the Entity and shall not constitute a general obligation of the Borough.

If received by the Borough, the Borough's Chief Financial Officer shall forward all installments of the Annual Service Charge and/or Special Assessments to the Trustee in accordance with this Agreement.

Any payment of the Annual Service Charge that is in excess of the amount required to be paid to the Trustee for Debt Service in any Bond Year (as defined in the Trust Indenture) shall be returned to the Borough and retained and used by the Borough for any lawful purpose.

After the Bonds are retired, the Borough shall receive, retain and use the installments of the Annual Service Charge or Special Assessments, if any, for any lawful purpose.

Section 5.03 Use of Annual Service Charge, Including the Payment of Debt Service – Flow of Funds under the Trust Indenture - Concurrently with the issuance of Bonds contemplated by this Financial Agreement and the Redevelopment Agreement, the Borough and the Trustee shall enter into the Trust Indenture in order to establish, among other things, the terms and conditions for the application of the Annual Service Charge, payment of debt service, and the relative rights and responsibilities of the Borough to the holders of the Bonds. Upon receipt of the Annual Service Charge, the same shall be transmitted to the Trustee, who shall apply the Annual Service Charge as provided in the Trust Indenture. The Trust Indenture shall, in accordance with this Section, provide for the application of the amounts on deposit under the Trust Indenture in the following order, priority and rank:

- (1) *First*, to the county share account (the "County Share Account"), five (5%) percent of the Annual Service Charge received (the "County Share"), payable to the County, to the extent required under Applicable Laws;
- (2) *Second*, to the Debt Service Account, in an amount equal to the Annual Debt Service on the Bonds;
- (3) *Third*, to replenish any reserves, but not including such amounts as are released to the Borough as a result of a reduction in the amounts on deposit in the debt service reserve by reason of amortization of the principal amount of the Bonds;

- (4) *Fourth*, to pay any other necessary amounts due under the Bond Resolution(s), Trust Indenture, or other agreements to be negotiated (including trustee fees and any federal income tax rebate obligation); and
- (5) *Fifth*, the balance to the Borough, to be utilized for any lawful government purpose, in the Borough's sole discretion.

ARTICLE 6 REMEDIES

SECTION 6.01. Remedies – In the event of a breach of this Agreement by any of the parties hereto or a dispute arising between the parties in reference to the terms and provisions as set forth herein, other than those items specifically included as Material Conditions herein, any party may apply to the Superior Court of New Jersey by an appropriate proceeding, to settle and resolve said dispute in such fashion as will tend to accomplish the purposes of the Long Term Tax Exemption Law and the RAB Law, as amended and supplemented. In the event the Superior Court shall not entertain jurisdiction or, in the event of a breach of Material Condition, then the parties shall submit the dispute to the American Arbitration Association in New Jersey to be determined in accordance with its rules and regulations in such a fashion to accomplish the purpose of said laws. Costs for said arbitration shall be paid by the non-prevailing party. In the event of a default on the part of the Entity to pay any installment of the Annual Service Charge, and/or any Special Assessment required by Article IV above, the Borough, the Trustee acting as assignee and agent of the Borough or the Agency, as third-party beneficiary of this Agreement, in addition to their other remedies, reserve the right to proceed against the Entity's land and premises, in the manner provided by law, including the Tax Sale Law, and any act supplementary or amendatory thereof; provided, however, that in no event shall there be any acceleration of any future Annual Service Charge or Special Assessments. Whenever the word "taxes" appears, or is applied, directly or implied, to mean taxes or municipal liens on land, such statutory provisions shall be read, as far as it is pertinent to this Agreement, as if the Annual Service Charge were taxes or municipal liens on land.

ARTICLE 7 CERTIFICATE OF OCCUPANCY

Section 7.01 Certificate of Occupancy - It is understood and agreed that the Entity shall remain obligated to make application for and make all good faith efforts which are reasonable to obtain Certificates of Occupancy for the Project in a timely manner as identified in the Exemption Application.

Section 7.02 Filing of Certificate of Occupancy - It shall be the primary responsibility of the Entity to forthwith file with the Tax Assessor, the Tax Collector and the Chief Financial Officer of the Borough a copy of each Certificate of Occupancy.

ARTICLE 8 ANNUAL AUDITS

Section 8.01 Accounting System - The Entity agrees to maintain a system of accounting and internal controls established and administered in accordance with generally accepted accounting principles consistently applied, and as otherwise prescribed in the Long Term Tax Exemption Law during the term of this Agreement.

Section 8.02 Periodic Reports - If the Entity is still responsible to pay the Annual Service Charge (i.e., if the Project has not yet been divided into Units and sold to Unit Purchasers), then, within ninety (90) days after the close of each fiscal or calendar year, depending on the Entity's accounting basis, that this Agreement shall continue in effect, the Entity shall submit its Auditor's Report certified by an independent certified public accountant for the preceding fiscal or calendar year to the Mayor, the Borough Council and the Borough Clerk, who shall advise those municipal officials required to be advised, and to the Director of the Division of Local Government Services in the New Jersey Department of Community Affairs pursuant to *N.J.S.A. 40A:20-9(d)*. The Auditor's Report shall include, but not be limited to, the terms and interest rate on any mortgage(s) associated with the Project, the Allowable Net Profit for the period shown, and such details as may relate to the financial affairs of the Entity and to its operation and performance hereunder, pursuant to the Long Term Tax Exemption Law and this Agreement.

Section 8.03 Inspection - Upon the request of the Borough, the Trustee or the State, the Entity shall permit the inspection of property, equipment, buildings and other facilities of the Entity by the requesting party or its agents. It shall also permit, upon request of the Borough or the State, reasonable examination and audit of its books, contracts, records, documents and papers by representatives duly authorized by such Borough or State. Such inspection, examination or audit shall be made during normal business hours, in the presence of any officer or agent of the Borough.

Section 8.04 Limitation on Profits and Reserves - During the period of tax exemption as provided herein, and to the extent otherwise applicable to the Entity, the Allowable Net Profit limitation shall apply to the Entity pursuant to the provisions of *N.J.S.A. 40A:20-1 et seq.* Pursuant to *N.J.S.A. 40A:20-15*, the calculation of Net Profit shall be cumulative for the period commencing at the time the Project is completed.

Section 8.05 Payment of Dividend and Excess Profit Charge - To the extent applicable under the Long Term Tax Exemption Law, whenever the Net Profit of the Entity for the period, taken as one accounting period, commencing upon the substantial completion of the Improvements and terminating at the end of the last full fiscal year, shall exceed the Allowable Net Profits for the period, the entity shall, within 90 days of the close of that fiscal year, pay the excess Net Profit to the Borough as an additional service charge, provided, however, that the Entity may maintain any reserves permitted by *N.J.S.A. 40A:20-3(c)(1)* or *40A:20-15*.

ARTICLE 9 ASSIGNMENT AND/OR ASSUMPTION

SECTION 9.01 Approval The Entity may sell all or a portion of the Project provided that the sale is (i) in accordance with the provisions of the Redevelopment Agreement, (ii) to another urban renewal entity organized under and in full compliance with the provisions of the Long Term Tax Exemption Law imposed on “urban renewal entities”, as defined therein, including successors and assigns of the Entity, which is not unacceptable to a Majority of Bondholders, provided that the obligations of the Entity under this Agreement are, to the extent those obligations relate to the portion of the Property acquired by the transferee, fully assumed by the transferee, and (iii) only in the event that the Entity has delivered to the Borough and the Trustee an opinion of nationally-recognized bond counsel to the effect that the sale will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on any tax-exempt Bonds. Any purported sale or other transfer of all or any portion of the Project in violation of the preceding sentence shall be void *ab initio*. The Trustee and a Majority of Bondholders each shall be deemed to be a third-party beneficiary of this Section 9.01 for as long as any Bonds remain outstanding. Upon such conditions being met and subject to the satisfaction of the provisions of the Redevelopment Agreement, the Borough will consent to a transfer of the Project by the Entity to another urban renewal entity organized under the Long Term Tax Exemption Law, their successors and assigns, and the transfer of the Financial Agreement to such urban renewal entity, all owning no other project at the time of the transfer. Further, the Borough will consent that upon assumption by the transferee urban renewal entity of the Entity’s obligations, to the extent those obligations relate to the portion of the Property acquired by the transferee under this Agreement, the tax exemption for the Project shall continue and inure to the transferee urban renewal entity and its respective successors or assigns.

SECTION 9.02 Consent to Sale of Units; Requirement of Continued Tax Exemption – Notwithstanding anything to the contrary herein, the Borough hereby acknowledges that the Entity, as owner of the Project, will impose a condominium form of ownership on the Improvements and intends to sell the individual Units to Unit Purchasers for residential occupancy. The Borough hereby consents to the imposition of such condominium form of ownership and to a sale of any individual Unit to a Unit Purchaser. The Borough further consents to and requires that upon assumption by any Unit Purchasers of the transferor’s obligations under this Agreement (which assumption shall be required and deemed to have occurred upon sale), the tax exemption of the Improvements shall continue and inure to the Unit Purchasers and their respective successors and assigns. No Unit Purchasers shall be permitted to terminate this Agreement as to their respective units.

SECTION 9.03 Operation of Project – The Project shall be operated in accordance with law.

SECTION 9.04 Subordination of Fee Title – It is expressly understood and agreed that the Entity has the right to subordinate to the lien of the Annual Service Charge, and to the rights of the Borough and the Trustee hereunder, to encumber the fee title to the Property, and

that any such encumbrance or assignment shall not be deemed to be a violation of this Agreement.

ARTICLE 10 WAIVER

SECTION 10.01 Waiver - Nothing contained in this Financial Agreement or otherwise shall constitute a waiver or relinquishment by the Borough, the Entity or the Trustee of any rights and remedies provided by law except for the express waiver herein of certain rights of acceleration and certain rights to terminate the Financial Agreement and tax exemption for violation of any of the conditions provided herein. Nothing herein shall be deemed to limit any right of recovery that the Borough, the Entity or the Trustee has under law, in equity, or under any provision of this Financial Agreement.

ARTICLE 11 NOTICE

SECTION 11.01 Notice - Any notice required hereunder to be sent by any party to another party shall be sent to all other parties hereto simultaneously by certified or registered mail, return receipt requested, as follows:

When sent to the Entity it shall be addressed as follows:

Gateway at Carteret Urban Renewal Entity, LLC

The notice to the Borough shall identify the subject with the tax account numbers of the tax parcels comprising the Property.

The Trustee shall receive copies of all notices given hereunder at the address listed in the Trust Indenture.

ARTICLE 12 COMPLIANCE

SECTION 12.01 Statutes and Ordinances - The Entity hereby agrees at all times prior to the expiration or other termination of this Agreement to remain bound by the provisions

of Federal and State Law and any lawful ordinances and resolutions of the Borough, including, but not limited to, the Long Term Tax Exemption Law. The Entity's failure to comply with such statutes or ordinances shall constitute a violation and breach of the Agreement.

ARTICLE 13 CONSTRUCTION

SECTION 13.01 Construction - This Agreement shall be construed and enforced in accordance with the laws of the State, and without regard to or aid or any presumption or other rule requiring construction against the party drawing or causing this Agreement to be drawn since counsel for both the Entity and the Borough have combined in their review and approval of same.

ARTICLE 14 INDEMNIFICATION

SECTION 14.01 Indemnification - It is understood and agreed that in the event the Borough shall be named as party defendant in any action brought against the Entity by reason of any breach, default or a violation of any of the provisions of this Agreement and/or the provisions of the Long Term Tax Exemption Law by the Entity, the Entity shall indemnify and hold the Borough harmless from and against all liability, losses, damages, demands, costs, claims, actions or expenses (including reasonable attorneys' fees and expenses) of every kind, character and nature arising out of or resulting from the action or inaction of the Entity or the Redeveloper and/or by reason of any breach, default or a violation of any of the provisions of this Agreement and/or the provisions of the Long Term Tax Exemption Law by virtue of the action or inaction of the Entity or the Redeveloper, except for any acts or omissions or misconduct by the Borough or any of its officers, officials, employees or agents, and the Entity shall defend the suit at its own expense. However, the Borough maintains the right to intervene as a party thereto, to which intervention the Entity hereby consents. The expense of the Borough's intervention shall be borne by the Entity.

ARTICLE 15 DEFAULT

SECTION 15.01 Default – A Default shall be deemed to have occurred if the Entity fails to conform with the terms of this Agreement or fails to perform any obligation imposed upon the Entity by statute, ordinance or lawful regulation.

SECTION 15.02 Cure Upon Default - Should the Entity be in Default of any obligation under this Agreement, the Borough or the Trustee shall notify the Entity and any mortgagee of the Entity, in writing, of said default. Said notice shall set forth with particularity the basis of said default. Except as otherwise limited by law, the Entity shall have thirty (30) days to cure any default (other than a default in payment of any installment of the Annual

Service Charge or Special Assessments in which case there shall be no cure period). Subsequent to the thirty (30) days, the Borough (or the Trustee as its assignee and agent) shall have the right to proceed against the Property pursuant to applicable provisions of the law, including *N.J.S.A. 40A:12A-58* and *-68*, but subject to the aforementioned limitations on acceleration, including as set forth in §§ 5.02 and 6.01 hereof. No default hereunder by the Entity shall terminate the long term tax exemption described herein and its obligation to make Annual Service Charge payments, which shall continue in effect for the duration of this Agreement.

SECTION 15.03 Remedies Upon Default Cumulative; No Waiver - Subject to the provisions of Article 15, Section 6.01 and the other terms and conditions of this Agreement, all of the remedies provided in this Agreement to the Borough (and the Trustee), and all rights and remedies granted to them by law and equity shall be cumulative and concurrent and no determination of the invalidity of any provision of this Agreement shall deprive the Borough (or the Trustee) of any of their remedies or actions against the Entity because of the Entity's failure to pay the Annual Service Charge and/or any applicable water and sewer charges and interest payments. This right shall only apply to arrearages that are due and owing at the time, and the bringing of any action for Annual Service Charge, Special Assessments or other charges, or for breach of covenant or the resort of any other remedy herein provided for the recovery of Annual Service Charge or other charges shall not be construed as a waiver of the right to proceed with an In Rem Tax Foreclosure action consistent with the terms and provisions of this Agreement.

SECTION 15.04 Bondholder Remedies - Bondholders (as defined in the Trust Indenture) shall have the right to direct action of the Trustee and take action on behalf of themselves and/or the Trustee, to the same extent as their rights under the Trust Indenture.

ARTICLE 16 MISCELLANEOUS

SECTION 16.01 Conflict - The Parties agree that in the event of a conflict between (i) the Exemption Application and this Agreement or (ii) the Redevelopment Agreement and this Agreement, the provisions of this Agreement shall govern and prevail.

SECTION 16.02 Oral Representations - There have been no oral representations made by either of the Parties hereto which are not contained in this Agreement. This Agreement, the Ordinance of the Borough authorizing this Agreement, and the Exemption Application constitute the entire agreement between the Parties and there shall be no modifications thereto other than by a written instrument executed by the Parties and delivered to each of them.

SECTION 16.03 Entire Document - All conditions in the Ordinance of the Borough Council approving this Agreement are incorporated in this Agreement and made a part hereof.

SECTION 16.04 Good Faith - In their dealings with each other, the Parties agree that they shall act in good faith.

SECTION 16.05 Recording - This entire Agreement will be filed and recorded with the Middlesex County Clerk by the Entity at the Entity's expense.

SECTION 16.06 Municipal Services - The Entity shall make payments for municipal services, including water and sewer charges and any services that create a lien on a parity with or superior to the lien for the Annual Service Charges, as required by law. Nothing herein is intended to release the Entity from its obligation to make such payments.

SECTION 16.07 Portion of Annual Service Charge Paid to County – Pursuant to N.J.S.A. 40A:20-12, the Borough shall remit upon receipt five percent (5%) of the Annual Service Charge to Middlesex County, as further described in Section 5.03 hereof.

SECTION 16.08 Financing Matters - The financial information required by the final paragraph of N.J.S.A. 40A:20-9 is set forth in the Exemption Application.

SECTION 16.09 Municipal Determinations – The Borough hereby finds and determines that this Agreement is to the direct benefit of the health, welfare and financial well-being of the Borough because it allows for redevelopment of an under-utilized area into productive, useful and job-creating property, and further:

(a) The costs associated with the tax exemption granter herein are minor compared to the Total Project Cost of \$43,287,415 and the benefit created by approximately 10 new jobs.

(b) Without the tax exemption granted herein, it is highly unlikely that the Entity would have proceeded with the Project, and a source of debt service for the Bonds is not otherwise available.

SECTION 16.10 Counterparts - This Agreement may be simultaneously executed in counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 16.11 Amendments - This Agreement may not be amended, changed, modified, altered or terminated without the written consent of the parties hereto.
