

Category: Administration/Superintendent
Date Posted: 1/18/2024
Location: Board of Education Office
Date of Availability: To be determined
Date Closing: 02/01/2024

The Manchester Township School District is seeking a Superintendent of Schools. Our District is located in Ocean County, and our township is a suburban/rural region that covers 82 square miles. We have 700 employees and serve almost 3000 students in grades PK-12 in five schools, our High School, our Middle School and three elementary schools. Students from our neighboring community of Lakehurst attend our High School and children from military families on the Joint Base may attend our schools. Our District has an operating budget of \$68 million dollars.

In addition, we operate the Regional Day School in Jackson for the State of New Jersey. Regional Day School is solely funded by tuition payments received from sending districts. Our Board of Education also oversees this school, which is staffed by Manchester Township School District employees.

Qualifications:

- Possess or is eligible to hold a New Jersey School Administrator Certification;
- Experience as Administrator preferred; Experience as Principal or Central Office Administrator required;
- Classroom teaching experience required;
- Educational leadership with skills in curriculum, special education, personnel management, financial management, technology and team building.

Salary to be negotiated and is subject to NJ regulations.

Position to be filled on a date to be determined but no later than July 1, 2024.

Application deadline: February 1, 2024

Manchester Township School District uses the applicant tracking system from Frontline Education to manage employment applications online.
