Re: OPRA Request

The following is the Point Pleasant Police Department's response to your OPRA Request for certain records:

Request 1: Any and all data and reports prepared by the Point Pleasant Police Department for traffic studies and/or surveys conducted on Maxson Ave between May 1st 2021 and July 30th 2021, in addition to any emails or correspondence sent by, received by, or between members of the police department.

Response 1: See attached Traffic Study, Police Reports, Speed Survey Forms, and email correspondence subject to redaction in accordance with N.J.S.A. 47:1A-1.1.

Regards,

A handwritten signature in black ink, appearing to be "DR", written over a horizontal line.

Narrative: 05/28/2021 1509 Cappello, Michael

While on a traffic detail at Rt 88 and Curtis, I was approached by the operator of NJ:P62LAN who wished to make a complaint about another vehicle, NJ:C76MWY. [REDACTED] stated that while stopped in the westbound lane on Rt 88 at Maxson Avenue, the suspect vehicle passed him on the right in an unsafe manner. I then spoke with the operator of the accused vehicle, who stated that while passing, the other vehicle attempted to block his maneuver which was the unsafe action. Both operators were instructed on the process in which to file complaints to the court. Neither party stated they wished to pursue complaints.

Chevy Trax (No Plate) Gray

Narrative: 06/18/2021 1403 Jakubiak, John

On 6/18/21 I, SLEO II Jakubiak, initiated a traffic stop with a vehicle for a Grey Chevrolet Trax for driving without a license plate. I made the stop and the driver showed me they had a used car dealership plate on the front dashboard. I advised the driver to try and have the license plate on the rear of the vehicle from now on.

		While on patrol on Maxson Avenue, I observed what appeared to be a greenish/blue truck with large tires, driving southbound on Maxson Avenue. The vehicle proceeded to drive through the stop sign at Herbertsville Road, without stopping. The truck almost struck another vehicle that was traveling on Herbertsville Road. I located a vehicle matching the description in the parking lot of the Idle Hour. I made contact with the operator, who admitted to the violation. I issued the operator summons 1524-B-071978 for 39:4-144, Failure To Stop.

Vehicle stopped for speeding (33/25) north on Maxson Ave (300 block) while I was stationary on a radar post 21-14666. The driver was advised of the violation and stated that he was trying to keep the RPM's up on his vehicle as it was a manual transmission. He was advised to monitor his speed while in between gears. A warning was issued.

Subject: RADAR Streets

I have recently completed traffic studies on [REDACTED] and [REDACTED] in response to complaints the department has received. The results of the studies indicate the need for enforcement. Additionally, officers shall resume running RADAR on [REDACTED] as the speed trailer will be removed today. As a reminder, officers shall conduct RADAR posts in problem areas as part of their regular patrol duties. The following is a list of the problem areas:

All,

Officers are reminded to conduct two traffic enforcement details per shift. To clarify, Directed Patrols are to target specific complaints in reference to Stop Sign violations, Pedestrian Crosswalk violation, etc... RADAR Posts are to be performed where the complaint is speeding. Additionally, your tolerance should be lowered in these areas. The following is the updated list of target streets until further notice:

- ██████████ - Speeding and Wrong Way Traffic
 - Recent traffic study recorded 121 vehicles traveling the wrong way over 7 days
- Maxson Ave - Speeding
- ██████████ - Speeding/DWI ██████████ Block
- ██████████ - Speeding near ██████████
 - Hit and Run crash on 7/1 after speeding complaint was received
- ██████████ - Speeding near ██████████
 - Bicyclist crash on 7/1 after speeding complaint was received
- ██████████ - Pedestrian Crossing
- ██████████ - Pedestrian Crossing
- ██████████ - Speeding between ██████████ and ██████████
- ██████████ - Speeding (██████████ Block) Saturday/Sunday only
- ██████████ - Speeding Saturday/Sunday only

SLEO Jakubiak is provided with additional areas to enforce.

See me should you have any questions.

Subject: Department Response to Increased Traffic Complaints

All,

Due to the increasing number of traffic complaints officers are expected to perform at least two of the following during each shift:

RADAR Post
Directed Patrol

I will be providing a list of target areas on a regular basis for officers to focus on as per Chief Lokerson. Please note, this list is for Full Time Patrol Officers as SLEO II Jakubiak is assigned specific traffic enforcement duties. Until further notice officers shall focus on the following areas:

Maxson Ave - Speeding
[REDACTED] - Speeding [REDACTED]
[REDACTED] - Speeding/DWI
[REDACTED] - Speeding/Pedestrian Crossing
[REDACTED] - Speeding/Stop Sign violations from intersecting streets
[REDACTED] - Speeding [REDACTED] and [REDACTED]
[REDACTED] - Speeding [REDACTED] and [REDACTED]
[REDACTED] - Speeding
[REDACTED] - Pedestrian Crossing
[REDACTED] Block)
[REDACTED]

See me should you have any questions.

Honorable Mayor and Council

Attention: Antoinette DePaola, Chair Public Safety Committee

Attached please find the results of a traffic study we conducted on Maxon Avenue from July 6, 2021, through July 13, 2021. I also attached traffic safety Lieutenant Dave Radsniaks' memo interrupting the data. I concur with his findings.

It should be noted that this stretch of roadway has a fixed mounted radar display signs in each direction. My officers will continue to conduct frequent radar posts in an effort to increase pedestrian and vehicular safety. In addition, the message board will be deployed to advise motorists of the 25mph speed limit which will be strictly enforced.

To: Chief Robert Lokerson
From: Lieutenant David Radsniak
Subject: Maxson Ave Traffic Study
Date: July 21, 2021

The JAMAR Traffic RADAR Recorder was installed on Maxson Ave near Pacific St to conduct a traffic study. The device monitored traffic from July 6, 2021 through July 13, 2021. The results of the study indicate there were a total of 7,043 vehicles which traveled on Maxson Ave during the 7-day period. Specifically, there were 4,531 vehicles traveling South in comparison to 2,512 traveling North. The 85th percentile speed for the roadway was 31 MPH with an average speed of 25 MPH. Based on the results of this study I have directed officers to run stationary RADAR at specific times according to the data obtained from the study. Unless you feel it is necessary, I will not deploy the RADAR trailer due to the RADAR feedback signs which are functioning in this section of Maxson Ave.

[REDACTED]

Thank you for your feedback. Yes, the speed study did reveal there is an issue with vehicle speeds on your street. As you indicated, the department is making efforts to reduce the speed in which vehicles are traveling on your street. Additionally, we will be following up in the near future with a second speed study to measure the effect of our enforcement efforts. Feel free to contact me should you have any questions or concerns.

I have noticed the increase in patrols, signage and the stand alone radar detector. I appreciate the department's response in this!!

I assume it must have been a little worse than I noticed.

Subject: RADAR

SLEO Jakubiak,

During each shift you are to focus on conducting RADAR Posts on the following streets and stopping violators:

- [REDACTED]
- [REDACTED] ([REDACTED] Block)
- Maxson Ave (between [REDACTED] and [REDACTED])
- [REDACTED] (between [REDACTED] and [REDACTED] Ave)
- [REDACTED] Ave - Speeding between [REDACTED] and [REDACTED]
- [REDACTED] Ave Between ([REDACTED] and [REDACTED])
- [REDACTED] Ave - Speeding near [REDACTED]
- [REDACTED] Ave - Speeding
- [REDACTED]
- [REDACTED] ([REDACTED] MPH Zone)

These are problem areas where your tolerance should be lowered. Please submit all Speed Survey Forms to Sgt. Gunnell for review.

Additionally, be alert for Crosswalk violations throughout town as we have been receiving complaints.

Subject: RADAR Enforcement

All,

Officers are reminded to conduct two traffic enforcement details per shift. To clarify, Directed Patrols are to target specific complaints in reference to Stop Sign violations, Pedestrian Crosswalk violation, etc... RADAR Posts are to be performed where the complaint is speeding. Additionally, your tolerance should be lowered in these areas. The following is the updated list of target streets until further notice:

Maxson Ave - Speeding between Herbertsville and River Rd.

Speed Study revealed 1,227 vehicles traveling between 30 MPH and 55 MPH

I have attached the Best Times for Speed Enforcement for your reference

Sergeants and OIC's shall make sure officers are performing RADAR Posts according to

this data

[REDACTED] - Speeding between [REDACTED]

Speed Study revealed 1,003 vehicles traveling between 30 MPH and 48 MPH

I have attached the Best Times for Speed Enforcement for your reference

Sergeants and OIC's shall make sure officers are performing RADAR Posts according to

this data

[REDACTED] Block.

I have attached the Best Times for Speed Enforcement for your reference

[REDACTED] Rd - Speeding near [REDACTED]

[REDACTED] - Speeding near [REDACTED] Block

Officers shall conduct RADAR Posts on the above streets as these streets are a priority. You may choose another location to run RADAR after performing the above. See me with any questions.
