Re: OPRA Request – #2020-266

Dear Mr. Bailey:

The City of Linden received your Open Public Records Act (OPRA) request on March 13, 2020. Please find your response attached.

You requested the following: See attached

The records are being provided to you as per your request with redactions in accordance with N.J.S.A. 47:1A-1.1(7) Attorney Client Privilege, N.J.S.A. 47:1A-1.1(1) Inter-agency or intra-agency advisory, etc.

If you feel that your request for access to a government record has been improperly denied or unfulfilled within the seven (7) business days required by law, you have a right to challenge the decision of the City of Linden to deny access. I have attached information, from the Government Records Council regarding the process to file a complaint.

Sincerely,

A handwritten signature in cursive script that reads "Jennifer Honan".

Jennifer Honan
Deputy Custodian of Records

An Equal Opportunity Employer

New Jersey Government Records Council ("GRC")

What to do if your request for a record has been denied

The New Jersey Open Public Records Act (N.J.S.A. 47:1A-1 et seq.) permits a person who believes that he or she has been unlawfully denied access to a public record either to file a complaint with the GRC or to file suit in Superior Court to challenge the decision and compel disclosure. This poster describes the procedures for taking such actions.

To file a complaint with the GRC:

- Visit the GRC's website at www.nj.gov/grc for information and to register your complaint. In the alternative, you may contact the GRC by telephone at 1-866-850-0511 or by e-mail at government.records@dca.nj.gov.
- When you file the written complaint, the GRC will offer both you and the public agency non-adversarial, impartial mediation. If mediation is not accepted or is not successful, the GRC will investigate the complaint.
- In some cases, the GRC can award attorney's fees to a complainant or impose a fine against a records custodian.
- There is no fee to file a complaint with the GRC.

To file a complaint in Superior Court:

- A requestor may start a summary (expedited) lawsuit in the Superior Court. A written complaint and order to show cause must be filed with the court.
- The court requires a filing fee, and you must serve the lawsuit papers on the appropriate parties.
- The court will schedule a hearing to resolve the dispute.
- If you disagree with the court's decision, you may appeal the decision to the Appellate Division of the Superior Court.
- If you are successful, you may be entitled to reasonable attorney's fees.
- You may wish to consult with an attorney to learn about initiating and pursuing a summary lawsuit in the Superior Court.
- Filing suit in Superior Court may result in a faster resolution, because the courts adjudicate cases every day, whereas the GRC only meets once a month.
