Members absent: Michael Gross, Sgt Det Dan Holovacko Jen Evanski, Jeanine Seber, Cathy Housman, Jorge Diaz, Karin Roessle, Mother Ann Urinoski, Geraldine Barcheski

Also present: None

This meeting was called to order at 3:00pm

FY22 Program and budget review for the FY22.

Kim Seber provided the NARCAN and overdose report.

Michelle Witte reported that the vape detectors in the school are working and she is excited to see what happens this year when the students come back again. She further explained the process of follow up with the students when the detector is alerted

YMCA representative, Joe Cohen, and Michelle Witte will combine efforts to promote the free 7<sup>th</sup> grade YMCA membership and investigate a field trip or other means to get the students there initially.

Volunteers needed for the FEDUP event 8/31, Arts Festival on September 18/19, and others to be announced. Michelle Witte will send out an email to the students for support at these functions.

Robust discussion regarding presentations/programs for future including the George Street Playhouse, Life Skills DARE program and Not Even Once. Without hesitation, the group unanimously wanted to continue LST, DARE and NEO programs. There was some concern over the last scene with George Street Playhouse presentation so that program will not be continued

Respectfully submitted,

Kathy Kudelka

Cultural Competency scheduled for May/June this year. Kathy/Kim to send reminder to Alliance members once date is confirmed

Community outreach – modification of funding from MHS (DARE program was removed due to the pandemic) to community service will be submitted for approval. If approved, alliance member support in volunteering at SAYAA and other venues to increase knowledge of what the Municipal Alliance is/does and distribution of literature regarding drug/alcohol use/abuse Schedule will then be distributed and you can sign up for spots - be on the lookout for this

Kim Seber provided the overdose and NARCAN report

Kim continues to actively update the facebook page with upcoming virtual events

Budget: Discussion of funding and what upcoming grant may be able to cover; should we add GOTR (girls on the run) to our list of grant funded programming?

Pat Walsh mentioned that he would like the opportunity to bring in a guest speaker – athlete – to speak at the school. He further added that he had attended a program with a former athlete who he was very impressed with. We will look into this possibility for the future

Discussion: we are always looking for members/volunteers to help us. If you know anyone who may want to get involved, please have them contact Kim or Kathy

Respectfully submitted,

Kathy Kudelka
