Dear Ms. Hrebenak:

My records request is on behalf of a resident. It is identical to the request I submitted on 09/10/2020. On 10/21/2020 you provided records from 21 to 42 years ago (1978 to 1999). These records were far beyond the scope of my request. When I inquired if any additional records existed beyond 1999, your response was that those were the only records on file for the requested property. As such, my current request only seeks government documents for the period 10/21/2020 to the present.

Having said that, the government records I seek are those permitted under N.J.S.A. 47:1A-1 et seq. Namely, agreements, contracts, applications, proposals, presentations, meeting notes, memoranda, and engineering reports for the subject property.

Again, I believe the requested records comply with the definition of a government record as defined in the Open Public Records Act.

Thank you,

William Sosis
