Dear Dena Hrebenak,

Are these the only public records? There are no records of presentations or other proposals that were made to the committee? No applications, committee meeting notes or deliberations regarding the serious issues with surrendering public right-of-way? You've provided a single letter from Gregory D. Meese and a form letter from Planet Networks that actually belongs to Planet Networks. The form letter contains no recipient, no signature, and was created and last modified by Robert Boyle, the Chief Executive Officer of Planet Networks, Inc.

Your 3rd document is again a copy of Resolution 2020 124 which is readily available on the municipality's website.

Please provide the missing documents.

Thanks,
Bill Sosis

Yours sincerely,

William Sosis

Dear Dena Hrebenak,

The resolution itself is not a proper response to a request for public records.

Please read my request. It is a request for all public records "relating" to Resolution 2020-124; not the resolution itself.

Please provide the requested records.

Yours sincerely,

William Sosis
