Thank you for your email and prompt response. Can you please submit all records via OpraMachine.com as requested? My contention is that Public records should be available to the general public once requested. This is my reason for using OpraMachine.com in the first place. If the town is claiming that Opramachine.com is not a proper forum for certain public records, please let me know so I can address it properly.

Thank you, Ms. Hrebenak.

One more question, the town's attorney is Michael B. Lavery, correct?

Thank you.

I'm interested in knowing the status resolution 124. Specifically:

- Was the applicant (Robert Boyle/Planet Network, Inc.) was authorized to use the public right of way?
- Has the resolution been tabled? (if so, until when?)

Your help is appreciated.

Dear Ms. Hrebenak:

Would you please provide an update on **Resolution 2020-124** (Authorizing The Use Of The Public Rights-Of-Way By Planet Networks, Inc.)?

As you may recall, I spoke to the committee members on 7/22/2020 opposing the resolution but have not heard back.

Thank you,
Bill Sosis
