I already have the DCR software. This is not a software issue.

The file is only 3KB and should be larger.

I am sorry for that issue. The player that is needed for the recording is within this link. I was unsure whether you needed windows or Mac.

Dear Township of Mansfield,

The DCR file does not play. I have played DCR files countless times in the past.

Please forward a working copy.

Yours sincerely,

William Sosis
