RE: Cannabis Ordinance

Dear Mr. Sosis:

I am in receipt of your email dated July 13, 2021 addressed to Dena Hrebenak, RMC. Please be advised that you have received the only public records with regard to the ordinance. The ordinance was prepared by the Clerk at the direction of the Township Committee. The ordinance is a form ordinance created by the New Jersey League of Municipalities. As the ordinance contains a land use component, it is required by law to be reviewed by the Land Use Board for a determination that it is in conformance with the Township's master plan. Accordingly, the ordinance was requested to be drafted by the Township Committee, the Clerk drafted it, gave a copy to the Land Use Board for its review, and it was adopted as drafted.

Very truly yours,

Michael B. Lavery
