Subject: Resignation- Kazimir

Hello Everyone,

As stated at the February 24th Township meeting, I was resigning from the Township Committee some time after the March 10th meeting, that day has come.

Effective at Noon today, March 17, 2021, I will be stepping down from the Township Committee knowing that I will soon not be able to meet the residency requirement.

I would like to thank all of you for your dedication to the residents of Rochelle Park. It was certainly my honor to represent them over the past 9 years as Committeeman and prior to that as a volunteer on various boards and committees since 2003.

It was a pleasure working with you and believe we all have made a positive impact in our residents lives.

Sincerely,
Michael Kazimir
