Mike,
Sorry I sent to the wrong MK earlier this morning. In that email I stated that I was under the impression you resigned effective March 10th thus not sending you the email. My apologies.

Best Regards,

Bob

Hi Bob,

I was left off the email you sent earlier. I have not seen it yet, but feel I have the right as a member of the governing body to see what you are sending out to the other committee members.

It was regarding my offer to volunteer for the Township.

Thanks, Mike
