ARTICLE III

GRIEVANCE PROCEDURE

A. Definition

A grievance is an appeal of the interpretation, application or violation of policies, agreements and administrative decisions affecting the employees' terms and conditions of employment.

B. Purpose

1. The purpose of this procedure is to resolve differences concerning the rights of the parties concerning terms and conditions covered by this agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Administration and having the grievance adjusted without intervention of the Association.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at any level should be considered as maximum and every effort should be made to expedite the process. However, the time limits specified may be extended by mutual agreement if necessary.
2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this procedure by the end of the school year, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year, or as soon thereafter as is practicable.
3. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall constitute acceptance of the decision rendered at that step.
4. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step.
5. The employee may be represented at all stages of the grievance procedure by him/herself, or, at his/her option, by a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall have the right to be present and submit its viewpoint in writing.

6. Until such time as a grievance is properly determined, any employee including the grievant, shall continue to perform his or her duties in accordance with administrative directives, Board policies, and this Agreement.

7. Level One

An employee with a possible grievance shall first discuss the matter informally with his or her immediate supervisor within ten (10) school days of its occurrence.

- (a) If, as a result of this discussion, the matter is not resolved to the satisfaction of the employee, he/she shall within ten (10) school days, set forth his/her grievance in writing to his/her immediate supervisor, specifying the following:
 - (1) Name and date of filing
 - (2) The nature of the grievance
 - (3) If the grievance concerns the alleged misapplication or misinterpretation of this Agreement, cite point in question by Article, paragraph number and page number.
 - (4) The nature and extent of injury, loss or inconvenience and the basis of his/her dissatisfaction with the decision previously rendered.
 - (5) The corrective action desired.
- (b) The immediate supervisor shall attempt to resolve the matter as quickly as possible and in any case shall communicate his/her decision and reason to the employee in writing within ten (10) school days of receipt of the written grievance.

8. Level Two

No later than five (5) school days after receipt of the immediate supervisor's written decision, the employee may appeal the decision to the Superintendent of Schools. The appeal to the Superintendent must be in writing and must state the grievance submitted to the immediate supervisor as specified above and the employee's reason(s) for dissatisfaction with the decision. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period of ten (10) school days. The Superintendent shall communicate his/her decision and reason in writing to the grievant and the Association.

9. Level Three

If the grievance is not resolved to the employee's satisfaction, he/she may request a review by the Board. This request must be submitted no later than five (5) school days after the receipt of the Superintendent's decision and shall include the reasons for the dissatisfaction. The request shall be submitted in writing to the Board through the Superintendent as ex officio member of the Board. The Board shall review the grievance, and shall hold a meeting with the employee and shall render a decision within ten (10) school days of receipt of the grievance by the Board. The Board will render its decision and reason in writing to the grievant and the Association.

10. Level Four

- (a) If the grievance deals with an alleged misapplication or misinterpretation of this Agreement, and the grievant is not satisfied with the disposition of his/her grievance at Level Three, he/she may request in writing, not later than five (5) school days after receipt of the Board's decision, that the Association submit his/her grievance to arbitration. The Association may submit the grievance to arbitration by written notice to the Superintendent no later than fifteen (15) school days after receipt of the request.
- (b) Within ten (10) school days after receipt of such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon a mutually acceptable arbitrator or to obtain such commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association or Public Employment Relations Commission (PERC) by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association.
- (c) The arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly and shall issue his/her decision not later than twenty (20) days from the date of the close of the hearings, or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him/her. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties.

- (d) The costs for the services of the arbitrator, including per diem expenses, if any, and the actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

D. Binding Arbitration

Only grievances dealing with alleged misapplication or misinterpretation of the Agreement shall be submitted to binding arbitration. Decisions on all other grievances shall be concluded on Level Three of the Grievance Procedure.

E. Group Grievances

A grievance affecting a group of employees may be submitted in writing at the lowest appropriate level by the Association provided said grievance is listed by the aggrieved and is signed by one of the aggrieved. The Board or its representative may combine identical grievances and treat them as a group grievance.

ARTICLE IV

1. Employees shall be paid during their work year in equal semi-monthly installments.
2. Teachers may individually elect by the first day of school to have ten (10) per cent of their monthly salary deducted from their pay for a summer payment plan, deposited by the Board in an interest-bearing account. It is the teacher's responsibility to open said account.
