RE: REQUEST FOR PUBLIC RECORDS AND THE COMMON LAW RIGHT OF ACCESS

Dear Mr. Paff

I am in receipt of your request for public records received on August 4, 2022 and hereby offer the following:

Request: The minutes of every public meeting of the Borough Council held after November 17, 2020. In lieu of disclosing these minutes to me, you may satisfy this request by publishing those minutes on the Borough's website and informing me of such in your response to this request.

Answer: Please refer to <https://pennsgrove-nj.org/borough-council/>. There are some minutes that have yet to be adopted by council, however, they will be published on the website as they are completed and approved by the governing body.

Thank you for your patience and cooperation in this matter.

Respectfully,

Sharon R. Williams, R.M.C.
Municipal Clerk
