- Contract Negotiation

Contract Negotiation

Attorney Gordon reported that, one year ago, the Agency and requested RFQs for professionals and said resolutions had been done. He said it appeared that contracts had not been sent or signed. He said the contracts needed to be signed and that he did not want the Commissioners to be blindsided.

It was reported that a contract had been received from the Engineer but clarification was needed. Commissioner Beebe said he would follow up with Consultant DeRoberts and Director Rountree.
