Subject: Ad Hoc and Investigation

Good evening -

I wanted to follow up from our last BoE meeting in November. There were 2 motions made - 1 to form an ad hoc committee and 1 to begin an investigation into the events surrounding Mrs Chanley's contract and county approval. Where do we stand with these 2 items? As I had stated in closed session, [REDACTED]

In closing, I'm asking for an update on where we stand with these 2 items.

Thank you.

Chrissy

Subject: RE: Ad hoc committee for the review of Superintendent applications

The Ad Hoc committee for the purposes of review of the permanent Monroe Township Superintendent applications will conduct at least one more meeting in December 2021.

The members of the committee are Ken Chiarella, Karen Bierman, Chrissy Skurbe, Kathleen Belko and me. The resolution to establish this Ad Hoc Committee was approved by the Board 9-1-0-0. The resolution states the committee to be comprised of three to five members. Preferably, the committee may meet with the five members, but will be able to meet with at least a minimum of three members as scheduling and availability permits.

This is in acknowledgement of the Holiday Season and members' scheduling obligations; but as important, in recognition of the urgency to perform our duty to pursue the Superintendent search.

Thank you for your understanding and cooperation,
Michele Arminio

Dear Ad Hoc Members

RE: scheduled meeting for Ad Hoc Committee - Superintendent Search Committee

A meeting is scheduled for Sunday, December 12, 2021 between 2:00pm and 4:00pm to review applications for permanent Superintendent .

We will meet at 9 Nathaniel Street. (If there is a district building open at that time, we could meet in one of the schools. I will check with facilities.)

Thank you for your attention to this matter,
Michele Arminio

Good morning -

I was on the district website and trying to access the page where we had all of the ad hoc documents online. It appears it's all been taken off the website. Can it be added back as it is relevant to the discussion still taking place based on that committee and how to move forward with a referendum. Additionally, can you please send me all the minutes from that last ad hoc committee. As a BGT committee member it is vital to the discussions we are having about what to do to address the overcrowding issues.

Thank you.

Chrissy
