Re: "OPRA Request – Muller Runs Mount Laurel"

Dear Requestor:

Mount Laurel Township received your Open Public Records Act and common law right of access request seeking various potential public documents. The Township provides this timely OPRA response on the 7th business day denying your request.

1. Your request seek communications between eight (8) municipal employees or elected officials and Michael Muller for a specific time frame.

Response: In order to be a valid request, the requestor must include the name of the sender and/or recipient, the date range and the subject of the email. Your requests lack the subject terms upon which the IT specialist must search.

If you wish to continue, please submit a new OPRA request containing the required terms.

Sincerely,

Meredith Riculfy, RMC
Township Manager/Clerk
Records Custodian
