145. Crash Description/Narrative

Vehicle 1 was traveling eastbound on Prologis Drive. Driver of vehicle 1 is a diabetic that underwent diabetic shock due to low blood sugar levels. At this time, driver of vehicle 1 became unconscious and struck an unknown object, causing heavy damage to the front bumper, passenger door area and front windshield. Driver was still unconscious on scene and was unable to give a statement regarding the accident. Driver was alive and breathing. EMS transported the driver to Trinitas Hospital. We observed cameras located at Fedway (20 North Avenue East) that possibly captured the accident. We played the area in order to possibly locate any debris from vehicle 1, which proved negative. Vehicle was towed by Highway Towing to Highway Garage for being disabled. ***BWR***
