145 Crash Description/Narrative

Vehicle #1 was traveling eastbound on Route 37 East in the center lane approaching a red traffic signal. Vehicle #2 was traveling southbound on Clifton Avenue crossing Route 37 with a green traffic signal. Vehicle #1 entered the intersection with a red traffic signal. Vehicle #2 struck vehicle #1 in a right angle collision while crossing Route 37 with a green traffic signal.

Driver #1 stated that he was traveling east on Rt 37 in the center lane. The sun glare obstructed his vision. He did not know what color the light was at the time of the collision. He stated that there was vehicle next to him traveling east that went through the intersection so he assumed the light was green. Driver #1 stated as he was in the intersection his trailer was struck by vehicle #2. No damage was observed to vehicle #1. Driver #2 stated that he was on Clifton Avenue traveling south. He had a green traffic signal and attempted to cross Route 37. As he was on the south side of Route 37 he observed the truck and trailer at the last second. He cut his wheel to the left to attempt to avoid V#1. However, he was unable to do so.

Driver #2 was transported to Community Medical Center with a back injury. No individuals from vehicle #1 reported an injury. Driver #1 was issued a summons for driving with an unregistered vehicle (Trailer) and failure to observe traffic signal (Red light). Driver #1 is at fault for the accident due to the fact he did not stop at a red traffic signal. Nothing further.

145 Crash Description/Narrative

Driver 2 stated that while she was traveling in the Waters Edge Apartment Complex, in the area of apartment 2314, she was being partially boxed in by Vehicle 1, which was not letting her navigate through the parking lot. Driver 2 stated that Driver 1 made multiple attempts to back into her vehicle on purpose, which resulted in Vehicle 1 ultimately backing into Vehicle 2. Upon my arrival on scene I observed a large scuff/scratch indicative of a side swipe in the area of Vehicle 2's front right wheel well. Vehicle 1 had fled the scene prior to police arrival. Vehicle 1 was later located and other officers advised that it did have minor rear fender damage. No injuries were reported by any parties involved.
