145. Crash Description/Narrative

Vehicle 1 was located near the stop sign on Sullivan Road at the intersection of State Highway 88. Vehicle 2 was traveling on State Highway 88 westbound and making a left turn onto Sullivan Road. Vehicles 1 and 2 then collided in the intersection.

Speaking with the drivers at the scene, the driver of Vehicle 1 stated that he was unable to see oncoming traffic when stopped at the stop sign, so he pulled forward onto "what would be the shoulder" of Highway 88. Driver 1 stated he then stopped, and felt Vehicle 2 collide with the right side of his vehicle.

Driver of Vehicle 2 stated that he was beginning his left turn onto Sullivan Road from Highway 88, when he realized Vehicle 1 was pulled too far into the intersection to make his turn. He further noted that Vehicle 1 was still creeping further into the intersection and realized he could not make the turn in his own lane. In an effort to avoid the collision, he attempted to fit his vehicle between the right side of Vehicle 1 and the curb, but was unable to and struck Vehicle 1 in the process.

No injuries were reported at the scene. No motor vehicle summonses were issued. Both vehicles were able to
