145. Crash Description/Narrative

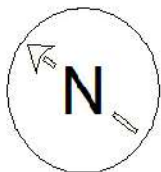

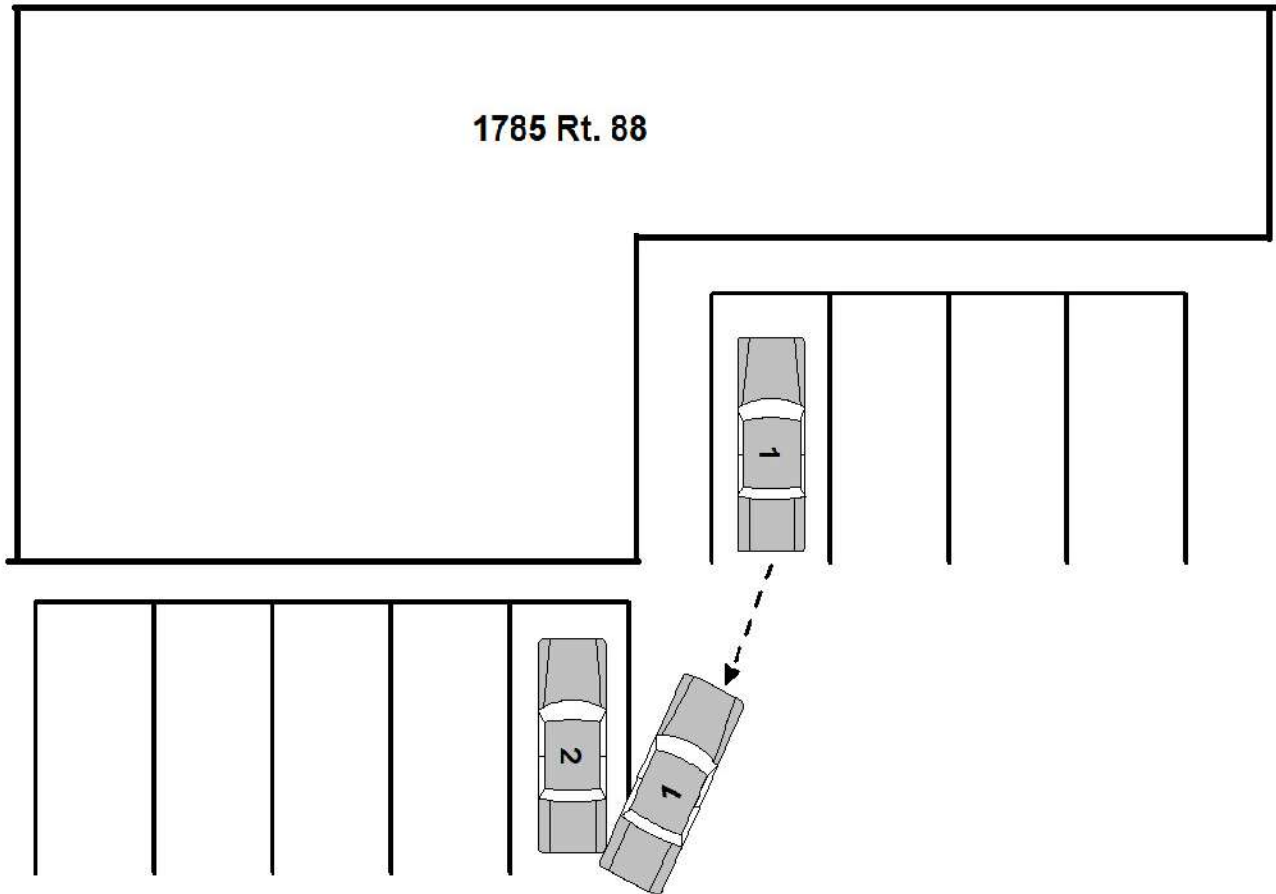

As vehicle 1 was backing out of a parking space in the parking lot of 1785 Rt. 88, it struck vehicle 2 who was unoccupied and legally parked. Driver 1 stated that she did not see vehicle 2 in her mirrors as she was backing up or hear the vehicle's reverse sensor warning but did feel some "resistance" as she was moving. She further stated that she did not realize that she had struck vehicle 2 until after the impact. Driver 1 was found to be at fault for the crash as she failed to properly check behind her vehicle prior to backing up and relied too heavily on the vehicle's reverse warning system.
