145. Crash Description/Narrative

Investigation at the scene revealed the following: Vehicles #1 and # 2 were stopped at a stop sign on the Brick Blvd ramp from Jackson Ave, waiting to enter onto Brick Blvd N/B. Vehicle # 2 moved forward and stopped again, due to an oncoming vehicle on Brick Blvd. Vehicle # 1 moved forward and it's front struck Vehicle # 2's rear. Vehicle's had moved into the parking lot of the Wawa prior to police arrival.

Driver of Vehicle # 1 stated "the red truck in front of me was stopped and then it moved forward past the stop sign, but stopped again. It caused me to roll into him. I don't think it's my fault because he was past the stop sign when he stopped again."

Driver of Vehicle # 2 stated "I was stopped at the stop sign and I moved forward to enter onto Brick Blvd. Another car was coming on Brick Blvd so I stopped, but then the unknown car turned right onto the ramp without signaling with it's blinker instead of going straight. The truck behind me moved up and hit me in the rear."

Driver # 1 was found at fault for not leaving enough space between Vehicle # 2 for reaction time.
