145. Crash Description/Narrative Vehicle #1 was exiting the parking lot of 1049 Cedar Bridge Ave (TD Bank) attempting to make a left onto Cedar Bridge Ave West. Vehicle #2 was traveling East on Cedar Bridge Ave in the left lane towing a trailer with various all-terrain vehicles. The Driver of vehicle #1 stated said she was exiting the parking lot of the above address. She repeated several times that she checked both ways prior to attempting a left turn onto Cedar Bridge Ave and had no idea where vehicle #2 appeared from. When asked what the traffic volume was like at the time of the crash she said it was completely clear both ways so she proceeded to attempt the left turn and that's when the front of vehicle #1 collided into the right middle of vehicle #2. Driver of vehicle #2 said he was traveling East on Cedar Bridge Ave when all of a sudden vehicle #1 started to pull out of the Bank parking lot. Driver #2 said since there wasn't any other vehicles in the area he believed vehicle #1 was going to stop. He said as he continued to travel east, vehicle #1 continued to travel north subsequently colliding into the right middle of vehicle #2 as well as the trailer vehicle #2 was towing. Driver #2 said he attempted to avoid the collision by swerving right but was unable to avoid the crash.

145 Crash Description

On scene investigation determined Driver #1 to be at fault for entering the lane of travel of vehicle #2 which ultimately caused the crash. The damage to the vehicles is consistent with the stories provided by both drivers.

**** Vehicle #2 had an approximately 6 foot trailer (NJ TKW40B) with multiple all-terrain vehicles on it at the time of the crash. The impact of the crash also disabled the trailer, but it did not appear that any of the ATVs were damaged at this time. The NJ registration on the trailer was unable to be located in NJDMV. Driver #2 said the trailer was homemade and not registered at this time. The license plate was removed from the trailer and placed into Police property.**
