135 Crash Description

Vehicle #2 was stopping in traffic on Drum Point Road west bound. Driver #1 did not notice traffic slowing/stopping until the last possible moment and swerved to the right. Vehicle #1 "clipped" the rear right side of vehicle #2, then ran off the road, struck the curb along the side of the roadway and finally stopped when it collided into a Utility Pole off the roadway. There were no visible tire marks in or off the roadway.

Both drivers were advised of report/complaint procedures.

135 Crash Description

Vehicle 2 (motorcyclist) was proceeding southbound on Hooper Avenue approaching the intersection with Old Silverton Road. Vehicle 3 (Stiffler) was traveling north on Hooper Avenue also approaching Old Silverton Road. Vehicle 1 (Castillo) had made a right turn from Old Silverton Road onto Hooper Avenue southbound directly into the path of vehicle 2 (motorcyclist). As a result, vehicle 2 struck vehicle 1 (sideswiping it along the driver's side). The initial impact with vehicle 1 caused vehicle 2 (motorcyclist) to cross over the center roadway lines and into the oncoming northbound lane. The driver of vehicle 3 attempted an evasive maneuver, but was unable to avoid the motorcyclist resulting in a secondary (sideswipe) impact. The motorcyclist continued southbound (upright) before leaving the eastside of the roadway in front of the Brick Town Elks Lodge, 2491 Hooper Avenue. The motorcyclist struck two separate sections of wood rail fencing in front of the Elks property. It was there that the motorcycle went down and the driver was ejected. Both the motorcycle and driver came to a final rest by the south driveway of the Elks Lodge. Officer's Sean Flynn 236 and Eric Haugh 217 were the initial officers on scene. The Brick Township Police Department's Emergency Medical Services along with MONOC paramedics responded to the scene. The driver of vehicle 2 (motorcyclist) was subsequently airlifted by MONOC 1 helicopter to Jersey Shore University Medical Center (J.S.U.M.C.) for treatment of his injuries. The landing zone for the airlift was staged from the parking lot of the Drum Point Sports Complex. The Brick Township Police Department's Traffic Safety Unit was requested and responded.

Driver 1 (Castillo) initially stated that she had left the Walgreen's Pharmacy (2546 Hooper Ave.) and was traveling southbound at "normal speed" on Old Hooper Avenue. She indicated that she first observed the motorcycle in her rear view mirror and was immediately struck by it from behind. She indicated that the impact occurred at the intersection of Hooper Avenue and Old Silverton Road. After impact she pulled over immediately to the right shoulder lane. A second statement was later taken from driver 1 after other accounts of the crash did not coincide with her original statement. When asked if she may have actually made a right turn off of Old Silverton Road she replied yes. She added that she often comes home that way too and was nervous when she initially spoke to me earlier. After making the right turn onto Hooper Avenue south she was immediately struck by the motorcycle.

The statement of Driver 2 (Valencia) was taken over the phone on 11/20/13. He was still hospitalized at Jersey Shore University Medical Center where he was being treated for his injuries. Driver 2 stated that he just left the parking lot of the Exxon (181 Drum Point Road) and was proceeding south on Hooper Avenue. He indicated his speed was between 35 - 40 MPH. He stated that vehicle 1 pulled out in front of him from Old Silverton Road. He indicated that he was approximately 7 - 8 feet away at the time. He reacted by attempting to go to his left and made impact with the left side rear of vehicle 1. He confirmed that the initial impact caused him to cross over into the northbound lane of Hooper Avenue. After making contact with vehicle 3 he tried to maintain control of the motorcycle before striking the wood rail fencing on the eastside of the roadway. He stated that he and the motorcycle then went down by the south driveway of the Elks Lodge.

NJ Accident Report

(Narrative Continued)

Driver 3 stated she was traveling north on Hooper Avenue and doing the speed limit (40 MPH). She had just completed a cell phone call using her bluetooth. It should be noted the bluetooth device was observed in her ear. She observed headlights (vehicle 2) coming into her lane. She stated she attempted to avoid a head-on collision and turned left toward the opposite (southbound) lane of travel. She stated that the front passenger side of her vehicle made impact with the motorcycle. The motorcycle continued southbound after the collision. She remained stopped post impact.

Witness: Joseph Arciniaco, 24 Beckert Drive, Brick, NJ 08723; NJ registration F52CRJ; Phone 732-484-2711.

The witness indicated that he was traveling southbound on Hooper Avenue in the right lane from the intersection with Drum Point Road. He stated the motorcycle was traveling about 50 yards in front of him. He stated that both he and the motorcycle were traveling the speed limit and proceeding south with the flow of traffic. He stated that vehicle 1 pulled out of Old Silverton Road directly into the path of the motorcycle. He stated that the motorcycle had no where to go. He observed the initial impact between the motorcycle and vehicle 1. He stated that after the "glancing blow" vehicle 2 "wobbled" into the oncoming northbound lane. He observed the motorcycle impact the right side of vehicle 3. It then continued off of the roadway to his left (eastside) where it struck sections of wood rail fencing. He stated the motorcycle and driver went down by the south driveway of the Elks Lodge. He stopped to render assistance.

Based upon my investigation I find that driver of vehicle 1 was at fault for the crash due to failure to obey a traffic control device and failure to yield right of way. The vehicle 1 operator was issued two summonses: 39:4-144 Failure to Stop or Yield (#T-138101) and 39:4-97 Carless Driving (#T-138103).

It should also be noted that the driver of vehicle 2 was not wearing a proper DOT approved helmet at the time of the crash.
