135 Crash Description

Vehicle 1 was traveling through the parking lot of 570 Rt 70 when she attempted to make a U-Turn around a parking lot curbed island. Vehicle 1 turned in the lot and approached a stop sign, preparing to turn right and head west in the parking lot. Driver 1 stated she had stopped at the stop sign before turning right. She stated she believed vehicle 2 was speeding as she did not see Vehicle 2 approaching while she checked before turning. Vehicle 1 turned right to head west as Vehicle 2 passed in front of it heading east. Driver 2 stated it appeared that vehicle 1 ran the stop sign. The front bumper of vehicle 1 struck the rear driver side tire of vehicle 2. The bumper of vehicle 1 was removed due to the collision. The rear tire of vehicle 2 appeared to have been punctured by debris from the collision.

Upon my arrival to the scene, vehicle 1 had not moved from the location of the collision. It appeared vehicle 1 took the right hand turn too wide, traveling into vehicle 2's lane of travel as it passed, causing the collision.
