145. Crash Description/Narrative

At approximately 2130 hours, I was dispatched to the area of Sawmill Rd. and Lanes Mill Rd. The caller (V2) advised she was following a vehicle which had struck her vehicle and left the scene. The suspect vehicle (V1) was described as a gray Honda Civic bearing NJ registration L47DZZ.

I observed V1 make a right turn onto Sawmill Rd. at which time I activated my overhead lights and conducted a motor vehicle stop on V1.

I asked D1 if she had been involved in a motor vehicle crash to which she said, "No." I observed what appeared to be fresh damage on the right lower rear of V1. The damage on V1 consisted of paint transfer which matched the color of V2. Also visible within the damage on V1 was a black smudge consistent with the black of a tire.

D2 stated she was traveling westbound in the right lane on Olden Ave., approximately 25 ft. east of the intersection of Rt. 88. She also advised V1 was traveling westbound in the left lane on Olden Ave., approximately 25 ft. east of the intersection of Rt. 88. D2 stated V1 changed lanes from the left lane to the right lane while adjacent to her vehicle, striking V2 and leaving the area. D2 stated she followed V1 until the time of the motor

vehicle stop.

I observed what appeared to be fresh damage on the left lower front consisting of paint transfer which matched the color of V1. I also observed what appeared to be fresh smudges on the left front tire consistent with the tire smudge visible on V1.

D1 again denied being involved in a crash but stated "I was in the left lane coming up to Rt. 88 and I changed lanes into the right lane so I could turn right on 88." I asked whether her vehicle had come in contact with V2 at any point to which she stated, "No. Not at all." The passenger from V1 was asked whether they were involved in a motor vehicle crash to which he also stated, "No."

Due to my observations, I determined V1 was at fault for an unsafe lane change, having changed lanes into V2.

The passenger of V1 took over driving. He also was able to provide proof of insurance after the initial driver was already issued summonses.

D1 was issued the following:

1506-T-156630 for 39:3-40 Driving While Suspended

1506-T-156631 for 39:3-29C Failure to Exhibit Documents Insurance
