145. Crash Description/Narrative

Vehicle 1 was traveling east on Route 70 approaching the intersection with Route 88.

Vehicle 2 was traveling west on Route 88 approaching the intersection with Route 70.

As the two vehicles were approaching the intersection the traffic signal cycled and turned green for traffic on

Route 88 to proceed.

As Vehicle 2 was proceeding through the intersection to turn left onto Route 70 west, Vehicle 1 failed to stop for

the red traffic signal and impacted Vehicle 2.

Vehicle 2 came to final rest in the middle of the intersection.

Vehicle 1 became airborne and overturned onto it's roof where it slid to final rest in the westbound lanes of

Route 70.

Driver of Vehicle 1 was transported to Jersey Shore University Medical Center (JSUMC)-Neptune NJ, to be treated

for head trauma.

Driver of Vehicle 2 was transported to Hackensack Medical Center-Brick NJ, to be treated for chest pain.

Driver of Vehicle 2 stated the following:

He was traveling on Route 88 westbound approaching Route 70. He was approximately 100' from the intersection when

145 Crash Description

the traffic signal that was red, cycled to green.

He was traveling in the middle through lane onto Route 70 westbound and passed a van that was in the inside lane

staring to proceed through the intersection.

Next thing he remembers is getting hit.

Ptl. Farnkopf 173 had responded to JSUMC to check on the status of Driver 1 and to obtain additional information.

Driver 1 stated that he was on his way to go fishing in Point Pleasant.

All he remembers is traveling on Route 70 and could not recall the crash.

At the crash scene, a cooler had fallen out of Vehicle 1 upon overturning that contained cans of beer, some of which had been punctured and spilled out onto the roadway. Although the Driver of Vehicle 1 showed no outward signs of impairment due to alcohol and/or drugs, he was asked if he would voluntarily submit samples of his blood for testing. The Driver of Vehicle 1 agreed to submit samples of his blood, which are still pending at the time of this report.

I spoke to several witnesses to the crash, who all corroborated that Vehicle 1 ran the red light causing the crash.

Based on my investigation of all known facts, it is my opinion that the Driver of Vehicle 1 is the primary cause of the crash. Vehicle 1 failed to observe the traffic signal.
