145. Crash Description/Narrative

Vehicle #1 was in the parking lot of 455-459 Jack Martin Boulevard heading towards the exit. Vehicle #2 was southbound on Jack Martin Boulevard approaching the entry/exit of 455-459 Jack Martin Boulevard. The crash occurred when vehicle #1 did not stop and pulled out onto Jack Martin Boulevard directly into the path of vehicle #2. There were two stops signs located at the exit of the parking lot which driver #1 disregarded. Just prior to impact driver #2 attempted to stop and turn left to avoid vehicle #1.

Vehicle #2 impacted vehicle #1 at the driver's side door. The force of the impact caused vehicle #1 to move approximately 120 feet south before coming to a stop in the northbound lane and shoulder. Vehicle #2 continued to the left crossing over the center double yellow lines and across the northbound lane. Vehicle #2 then struck the curb and went into the grass at 450 Jack Martin Boulevard. The tires created deep ruts into the grass which caused vehicle #2 to make an abrupt left and head northbound towards a fenced-in dumpster. Vehicle #2 struck the post, fence and dumpster within the parking lot but still continued before stopping in a row of trees.

Laurelton Fire Department was called to extricate driver #1 from her vehicle. Driver #1 was transported to Jersey Shore University Hospital (JSUMC) due to her injuries. Driver #2 was transported to Brick Hospital for his injuries. Both vehicles were towed from the scene.

Driver #2 stated that he was traveling on Jack Martin Boulevard headed towards Route 70. He stated his speed

# New Jersey Police Crash Investigation Report

## Motor Vehicle Crash Description

Police Dept: Brick Police Code: 01Station: — Case No: 2018-00026482

## 145 Crash Description

was less than 40 MPH when he observed vehicle #1 coming out of the parking lot at "20 to 25 MPH". He had no time to stop but attempted to brake and turn left to avoid vehicle #1. He claimed after impact that his "throttle was stuck wide open" so he was unable to stop until he hit the trees. Driver #1 claimed he was wearing his seatbelt at the time of the crash.

An independent witness, Mary Miller (732)581-2112, remained on scene and provided a written statement. In her original written statement she stated that she was behind the blue pick-up that had struck vehicle #1. She stated that they were "westbound" (correct direction would be northbound) when the truck in front of her struck vehicle #2. I spoke to Ms. Miller via telephone on 5/8. She stated she may have been mistaken on which vehicle had struck vehicle #1 due to the damage she observed after her initial written statement. Although she mistook which vehicle struck vehicle #1, she was adamant that vehicle #1 never stopped before leaving the parking lot. She added that there was no space for a vehicle to pull out into traffic due to the amount of vehicles that were north and southbound on Jack Martin Boulevard.

On 6/4/18 I spoke to driver #1 via phone. She had been transferred to a Rehab center in New Brunswick, NJ. Driver #1 stated that she remembers being lost the day of the crash while looking for a lab for blood work. She stated that she had re-entered the address into her phone and was attempting to leave the parking lot of 455-459 Jack Martin Boulevard. She stated she looked down at her phone quickly then turned her attention to the stop sign. She claimed she stopped before entering Jack Martin Boulevard and also admitted seeing vehicle #2, but thought it was far enough away. After impact she remembered waking up in her vehicle.

I find the actions of driver #1 were the cause of the crash. Based up on roadway evidence and witness statements, driver #1 failed to stop at the stop sign and did not yield the right of way to vehicle #2 before entering Jack Martin Boulevard.

It should be noted that driver #1 claimed he was wearing his seatbelt at the time of the crash. I pulled on the seatbelt, which was fully retracted and locked. The windshield was also broken and driver #1 had corresponding cuts to his fore arm and head. The passenger side seatbelt was locked and pulled out from the passenger seated there. It is my belief that driver #1 was not wearing his seatbelt at the time of the crash.
