145. Crash Description/Narrative

Vehicle 1 was exiting off John St. to travel South on Rt. 88. Vehicle 2 was traveling North on Rt. 88. Vehicle 2 struck the driver side rear door of Vehicle 1 with it's front driver side bumper and head light. Vehicle 1 was towed by D&L towing due to the deployment of multiple airbags. Driver 1 complained of head pain due to the accident and was transported to MC.

Driver 1 stated she would have made the complete turn onto Rt. 88 to travel South if Vehicle 2 was not speeding.

Driver 2 stated he was traveling North on Rt. 88 when Vehicle 1 pulled out of John St. in front of his vehicle.

Driver 2 further stated he attempted to avoid the collision by turning his vehicle steering wheel to the right.

Based on my observations and statements made by both drivers, I find Driver 1 at fault for failing to observe the distance of Vehicle 2 before making the turn onto Rt. 88. Driver 1 was issued motor vehicle summons E18 001867 for 39:4-97 (careless driving).
