145. Crash Description/Narrative

Vehicle #1 was traveling north bound on Burrsville Road, attempting to make a left hand turn onto Jack Martin Blvd. west bound. Vehicle #2 was traveling south bound on Burrsville Road approaching the intersection of Jack Martin Blvd.

Driver #1 stated she was waiting to make her left turn onto Jack Martin Blvd west bound when she proceeded to make her left turn. While turning, the area of the right rear tire was struck causing her side airbag to deploy.

Driver #2 stated she was traveling south bound on Burrsville Road with a green light. She proceeded through the intersection and at that time, Vehicle #1 made a left turn in front of her. She applied her brakes and tried to maneuver around Vehicle #1 but was unsuccessful, causing front end damage to Vehicle #2.

Based on my on scene observations and statements made by both drivers, I determined Vehicle #1 to be at fault for the crash.
