145. Crash Description/Narrative

Crash investigation reveals: Vehicle 2 was traveling westbound in the left hand lane of Route 70. Vehicle 1 was traveling directly behind vehicle 2. traffic in front of vehicle 2 stopped short causing vehicle 2 to stop short. Driver 1 applied her brakes, but her vehicle continued forward until her front bumper came into contact with vehicle 2's rear bumper.

Driver 2 stated while traveling westbound on Route 70, traffic in front of him stopped short, causing him to stop short to avoid rear ending the vehicle in front of him. As Driver 2 stopped short, he felt an impact from the rear of his vehicle. As Driver 2 looked in his rear view mirror, he observed vehicle 1 who had just rear ended him.

Driver 1 stated while traveling westbound on Route 70, vehicle 2 came to a sudden stop. Driver 1 attempted to apply her brakes however due to the rainy conditions, her vehicle continued forward causing her front bumper to come into contact with vehicle 2's rear bumper.

Thorough observations and statements given on scene, I find driver #1 at fault for following too closely.
