145. Crash Description/Narrative

The driver of vehicle 1 advised she was traveling east bound on Route 88 attempting to merge into traffic when the driver's side front tire of her vehicle collided with the passenger's side rear of vehicle 2. After the collision the driver exited her vehicle to check for damage. After observing her vehicle had no damage the driver of vehicle 2 exited his vehicle and attempted to lean on the hood of her vehicle. She told the driver of vehicle 2 to get off of her vehicle and began to drive the vehicle in reverse to get away from the other driver.

The driver of vehicle 2 advised he was traveling in the left lane on Route 88 attempting to merge into traffic in the area of Post Rd when the driver of vehicle 1 collided with the passenger's side rear of his vehicle. After the accident he attempted to speak with the driver of vehicle 2 and advised the driver attempted to run him over with her vehicle. The driver had a complaint of leg pain however refused any medical attention at this time.

After the conclusion of my investigation I was unable to determine the validity to the events that transpired after the accident however it appeared vehicle 1 did not yield the right away to vehicle 2 which caused the accident.
