145. Crash Description/Narrative

Vehicle 2 legally parked facing northbound, in the parking garage of Ocean Medical Center, 425 Jack Martin Boulevard. Vehicle 1 parked directly behind Vehicle 2.

Witness Iris stated the following: While walking to her car, she saw Vehicle 1 begin to back northbound out of her parking space. Iris believed the vehicle was backing quite fast and watched the rear of Vehicle 1 strike the rear of Vehicle 2. She saw the driver's head bounce when the vehicles collided. Driver 1 then placed her vehicle in drive and leave the area. Driver 1 was described as a white female with dark hair pulled into a pony tail. Driver 1 was wearing a white lab style coat. The vehicle was described as a Chevrolet sedan and a partial NJ license plate of G18 was provided.

The accident was a result of Driver 1 backing unsafely and not being aware of her proximity to Vehicle 2.
