145. Crash Description/Narrative

Vehicle 2 was traveling east on RT 88 in the area of Camp Mall (1905 RT 88). Vehicle 1 made a left turn out of the parking lot of Camp Mall and struck Vehicle 2 on it's front right, and along it's right side.

Driver 1 stated he was stopped at the parking lot exit of Camp Mall waiting to make a left turn onto RT 88 w/b.

Driver 1 stated it was raining very hard and his windows were fogged up and he did not see Vehicle 2 prior to starting his left turn. Diver 1 advised when he initially made contact with Vehicle 2 he stopped, but Vehicle 2's momentum carried it across the front of his vehicle.

Driver 2 stated he was traveling on RT 88 e/b in the area of Camp Mall when Vehicle 1 pulled out into his lane of travel and struck his vehicle.

My on scene investigation concluded Driver 1 to be at fault for the crash. Vehicle 1's windows were still completely fogged up upon my arrival. As a result of the crash Vehicle 2 sustained damage along it's right side and was disabled with a flat front right tire. Vehicle 2 was left on scene, parked legally in the parking lot.

Vehicle 1 sustained damage to it's front bumper but was able to be driven away. No injuries were reported.
