145. Crash Description/Narrative

The driver of vehicle #2 stated she was traveling east on Rt. 88, stopped in traffic, attempting to turn left into Laurel Square, 1930 Rt. 88. She stated that vehicle #1 was directly behind her and struck her rear passenger side bumper, causing minor damage.

The driver of vehicle #1 stated he was directly behind vehicle #2. He stated that he turned to look to his right and failed to observe vehicle #2 stopped directly in front of him. He stated that he attempted to veer to the right in order to avoid striking vehicle #2 but had negative results. He stated his driver side mirror struck the rear bumper of vehicle #2. He further stated that as he veered to the right and after striking vehicle #2, he sideswiped a utility pole before coming to a stop.

Based on both drivers statements as well as observing the damage to both vehicles, it is my determination that vehicle #1 caused the crash by failing to observe vehicle #2 stopped directly in front of him.

No injuries reported. Minor damage to both vehicles.

No damage to the utility pole. At the time of this report there was no pole number attached to the utility pole.
