145. Crash Description/Narrative Crash investigation reveals: Vehicle 2 was traveling west in the leftbound lane of Route 70, approaching the intersection of Van Zile Road. Vehicle 1 was also traveling west in the left bound lane of Route 70 directly behind vehicle 2. Vehicle 2 stopped at a green light to yield to two oncoming emergency vehicles that were utilizing their emergency lights that were approaching the intersection from Rt. 70 E/B and Van Zile Rd. S/B. A crash occurred when V #1 failed to stop in time causing its front end to collide with V #2's rear end. I was in the marked Police Vehicle with my lights and sirens activated on Van Zile Rd. and witnessed the crash. I observed as Vehicle 1 applied the brakes and skidded before the crash. Driver 2 stated she stopped at a green light to yield to an oncoming Fire truck with its emergency lights and sirens activated, which was preparing to enter the intersection from Route 70 eastbound. As driver 1 was stopping her vehicle, she also noticed a police patrol vehicle with it's emergency light and sirens activated, attempting to cross the intersection from Van Zile through Route 70. As Driver 2 came to a complete stop, she looked into her rear view mirror and observed vehicle 1 approaching her. Driver 2 stated she observed vehicle one attempt to stop, then heard the vehicle make a skidding sound, followed by an impact to her vehicle.

New Jersey Police Crash Investigation Report
Motor Vehicle Crash DescriptionPolice Dept: Brick Police Code: 01
Station: — Case No: 2018-00009929

145 Crash Description

Driver 1 stated she observed a Fire truck with its emergency lights and sirens traveling east on route 70 towards the intersection of Van Zile Road. As driver 1 looked forward, she observed vehicle 2 who had just come to a full stop at a green traffic signal, as well as a police patrol vehicle with its emergency lights and sirens on, readying itself to enter the intersection. At this time, Driver 1 applied her brakes, however her vehicle skidded forward causing her front bumper to come into contact with vehicle 2's rear bumper.

This reporting officer witnessed the crash while stopped in the southbound lane of Van Zile Road, while waiting for traffic to come to a stop, so that I could proceed through the intersection safely. My observations, as well as driver 1 and driver 2's story all coincided. I find driver 1 at fault for following too closely. Driver 2 had a complaint of pain from the back of her head hitting the headrest, however she refused EMS stating she was okay. Driver 1 reported no injuries. Both vehicles suffered what appeared to be minor damages.

Matthew Firreno
