145. Crash Description/Narrative

Investigation at the scene indicated the following: Vehicle 2 was slowing in traffic on Route 88 near the intersection with Post Road and vehicle 1 was directly behind vehicle 2. The front driver side of vehicle 1 struck the rear passenger side of vehicle 2, went off the roadway to the right and struck a snow pile, then fled the scene. Vehicle 1 was not located in the surrounding area.

I spoke to the driver of vehicle 2 and he stated the following:

Driver 2 traveled east on Route 88 in the area of Post Road. As Driver 2 went through the intersection, he began to slow his vehicle down due to traffic where roadway went from two lanes to one. As his vehicle slowed, the rear passenger side of the vehicle was struck by the front driver side of vehicle 1. Vehicle 1 then went off the roadway to the right and struck a snow pile. Vehicle 1 then drove back onto Route 88 and turned left into the Walmart parking lot. Driver 2's girlfriend was able to obtain a video of the suspect vehicle on her cell phone but was not able to clearly get the license plate. Driver 2 described the driver and the front passenger as "chubby" white males wearing snow hats that were possibly still in high school.

Motor Vehicle Crash Description

Police Dept: Brick Police Code: 01

Station: Case No: 2018-00001031

145 Crash Description

The video showed the suspect vehicle as a older model maroon Jeep Grand Cherokee with gray or black plastic on the lower sides of the vehicle and New Jersey license plate (unable to rear license platnumber).

A check of the surrounding area had negative results for the suspect vehicle.
