145. Crash Description/Narrative

On scene vehicle #1 was in the westbound lane on Route 88 with severe front end damage. Vehicle #2 was facing eastbound on Route 88 with damage to the rear of his vehicle. I observed vehicle #2's rear window blown out in the westbound lane on the roadway.

Driver #2 explained he was making a left turn onto Midstreams Place when he was struck in the rear by vehicle #1.

Driver #1 explained he was attempting to pass vehicle #2 on the right. Driver #1 could not pass vehicle #1, causing him to crash into the rear of vehicle #1.

As I was speaking to Driver #1 I could detect an odor of alcohol coming from his breathe. (see Ptl. Person case report)

Driver #1 was issued summons:

1506-T-153931 39:4-50 DWI
