145. Crash Description/Narrative

Vehicle 1 was in the middle lane traveling on Rt. 70 (east). Vehicle 2 was in the far right lane traveling on Rt. 70 (eastbound). Vehicle 1 failed to stay in the lane of travel and merged into vehicle 2. Vehicle 1 struck vehicle 2 with the left side mirror of it's vehicle. Vehicle 1 received minor damage to the left side mirror. Vehicle 2 received minor damage to the right middle of the vehicle.

Driver of vehicle 1 stated he was in the right lane on Rt. 70 and vehicle 2 must have traveled into his lane and struck his vehicle. Driver of vehicle 1 stated he did not see or hear anything at the time of the crash.

Driver of vehicle 2 stated they were in the second lane from the right traveling on Rt. 70 east. Driver 2 stated vehicle 1 traveled into his lane of travel and struck the side of his vehicle. Driver 2 stated he had to get behind vehicle 1 and wave him down because driver of vehicle 1 did not realize there was a crash.

From my investigation and the above statements, I find driver of vehicle 1 at fault for the crash.
