145. Crash Description/Narrative

Crash occurred on RT 88 westbound approximately 450 feet west of Folsom Dr.

Driver #4 stated she was heading west on RT 88, stopped in traffic, when she was struck from behind by vehicle #3.

Driver #3 advised he was stopped in traffic behind vehicle #4 when he was struck from behind by vehicle #2, which then pushed him into the rear of vehicle #4.

Driver #2 stated she was stopped in traffic behind vehicle #3 when she was struck from behind by vehicle #1. She advised the collision was very hard and as a result of the impact, she was pushed into the rear of vehicle #3.

Driver #1 advised he was traveling west on RT 88. He stated he did not see vehicle #2 stopped due to sun glare and subsequently struck into the rear of vehicle #2 which then started a chain reaction involving the other two vehicles.

Driver #2 had complaint of upper back pain. She was treated on scene by first aid but signed off, refusing

145 Crash Description

further medical attention at this time.

All other occupants of the other three vehicles advised they were not injured.

Based on the driver's statements and the evidence on scene, my investigation reveals that although sun glare was a possible contributing factor in the crash, driver #1 should have slowed down a little and been more cautious knowing he could not clearly see ahead of him. There were no skid marks meaning driver #1 had no time to react and struck into the rear of vehicle #2 at nearly full speed based on the amount of damage vehicle #1 sustained.

For this reason, I find driver #1 at fault for the crash and he was issued summons #: E17008245 for Careless Driving, 39:4-97.

Brian T Williams
