145. Crash Description/Narrative

Vehicle 1 and 2 were both located in the parking lot of the Speedway, 1672 Rt 88. Vehicle 2 was stopped at approximately a 45 degree angle at the stop sign to enter Rt 88. Vehicle 1 pulled too close to vehicle 2. When vehicle 2 began moving forward and turning contact was made with vehicle 1 in a side swipe collision.

Driver 1 advised me of the following:

He was stopped near the stop sign when vehicle 2 passed him. When traffic was clear vehicle 2 proceeded to turn onto Rt 88. In the process a side swipe collision occurred.

Driver 2 advised me of the following:

He was stopped at the stop sign to enter Rt 88. When he proceeded forward vehicle 1 appeared out of nowhere causing a side swipe collision.

I responded inside the Speedway to review video surveillance footage. I observed vehicle 2 drive to the stop sign first. Vehicle 1 pulled up behind vehicle 2. The camera angle did not provide footage of the accident, however.
