145. Crash Description/Narrative

Vehicle #1 collided with Vehicle #2 (parked and unoccupied) while backing in the parking lot of 495 Jack Martin Boulevard. The driver of Vehicle #1 fled the scene.

On arrival I met the owner of vehicle #2 at his vehicle where I observed minor damage to the front drivers side.

The owner of Vehicle #2 confirmed his vehicle was parked and he was not operating the vehicle prior to my arrival. He also confirmed the damage to his vehicle described above was not there previously. He stated he was advised by staff that his vehicle was struck in the parking lot. Staff of Harbor MAT (Clinic) advised they have the incident on video surveillance.

I was able to observe a green pickup enter the parking lot from Jack Martin and travel towards the back of the building where it started to turn to the left before stopping and traveling in reverse. It appeared Vehicle #1 was attempting to back into a parking space next to Vehicle #2. As Vehicle #1 traveled in reverse it struck Vehicle #2 which was parked at the last spot on the right side of the lot. Vehicle #1 then traveled forward towards the rear of the building out of view. I was unable to observe the license plate of Vehicle #1 but was able to determine it was a NJ license plate. Vehicle #1 appeared to be a 90's model pickup possibly a GMC or
