145. Crash Description/Narrative

On 11/05/2021 at approximately 0218 hrs. I responded to RT 70 EB near the intersection of Van Zile Road for a report of a motor vehicle accident. Investigation at scene revealed: V1 was traveling east on RT 70 nearing the intersection of Van Zile Rd. While traveling in the left lane, a deer jumped over the barrier median and was struck by V1 in the front upper bumper assembly. I observed heavy front end damage in the front bumper assembly.

I spoke with Driver 1, Margaret Doyle, who stated while traveling in the left lane on RT 70, a deer jumped over the median and into her lane unexpectedly. Doyle did not have time to avoid collision with the deer and struck it with the front of her vehicle.

It should be noted Doyle had complaint of pain to her chest and her left wrist. She refused further medical attention.
