145. Crash Description/Narrative

Driver of V1 stated he had pulled completely into a parking spot in the parking lot of 1659 Route 88 and was at a complete stop when V2 parked next to him began backing out of their parking spot. As V2 backed out it crashed into the side of V1.

Driver 1 then stated he began to exchange information with Driver 2. When Driver 1 stated he wanted to call the police Driver 2 refused to wait and fled the scene of the crash.

I then responded to the residence of V2 and spoke with the driver. Driver 2 claimed that he did not believe he was obligated to wait for the police and so left the area. Driver 2 stated that when he began to pull out of the parking spot V1 was not parked next to him and must have begun pulling in as he was backing out.

Based on my investigation and observations on scene I determined V2 to be at fault for the motor vehicle crash.
