145. Crash Description/Narrative

Vehicle 1 was backing out of a parking spot in the parking lot at 495 Jack Martin Blvd. when it hit Vehicle 2 in the passenger side rear door with it's right corner rear bumper. Vehicle 2 was traveling through the parking lot of 495 Jack Martin Blvd. when it was struck by Vehicle 1.

Driver 1 advised she believed she was clear to exit the parking space and did not observe Vehicle 2. Driver 2 advised he was driving straight through the parking lot when his vehicle was struck.

Based on my observations and statements made by both drivers. I find Driver 1 at fault for failing to observe Vehicle 2 while backing out of the parking spot.
